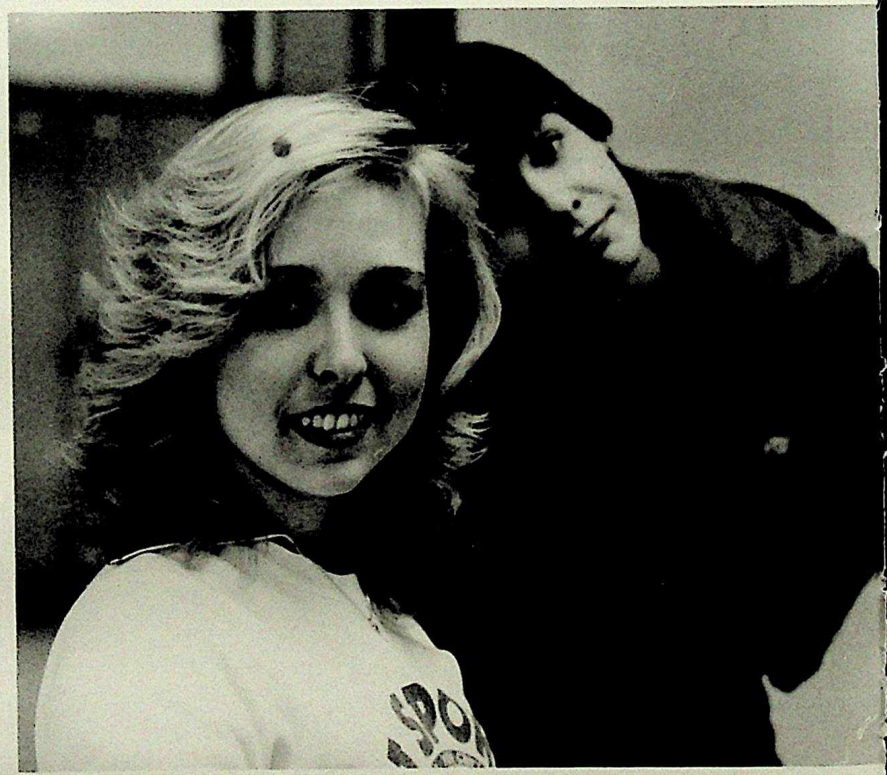
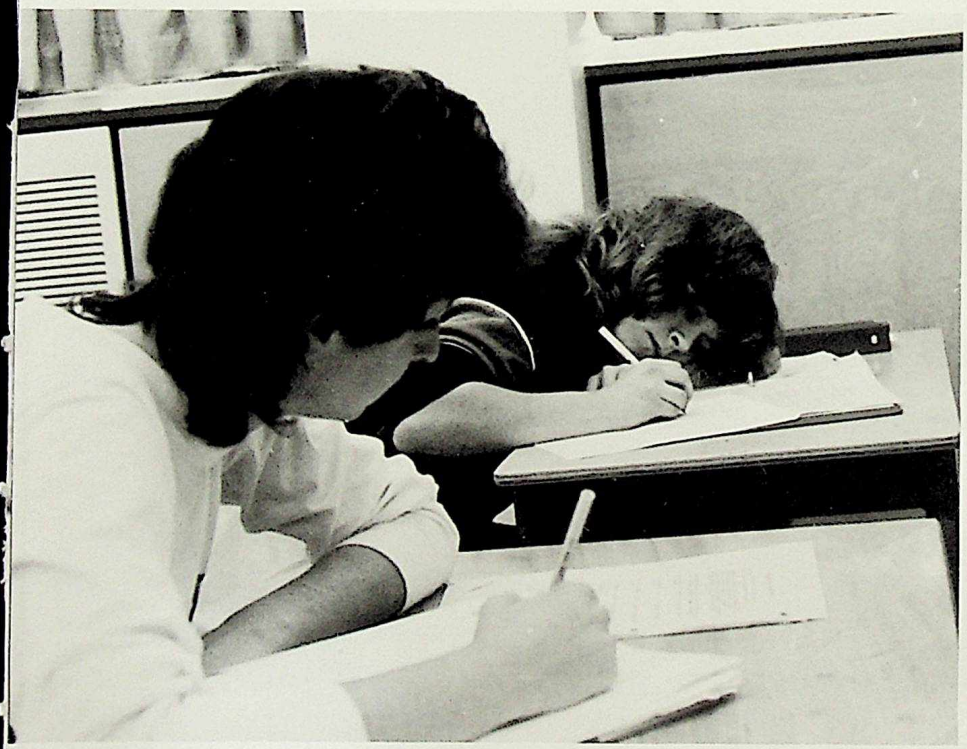
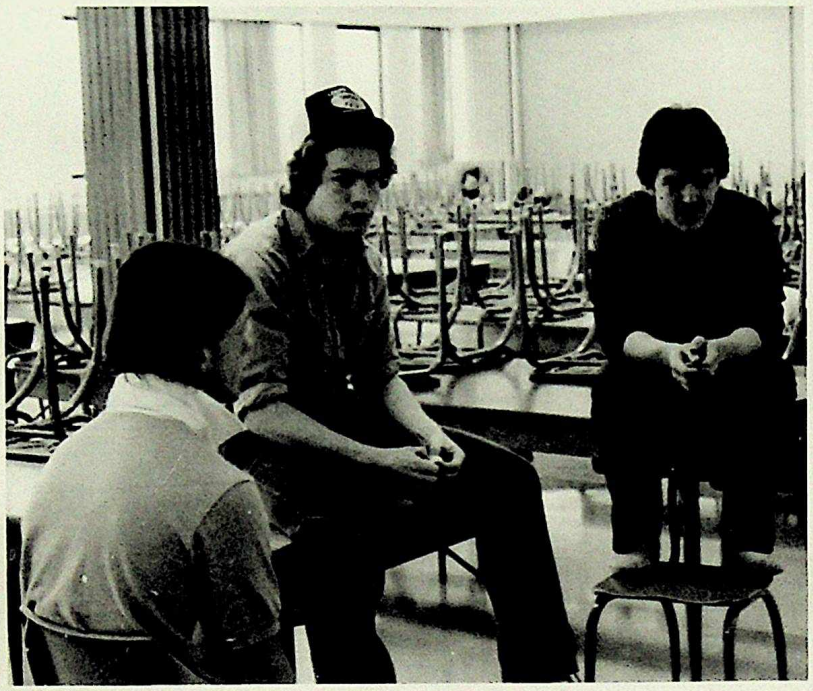
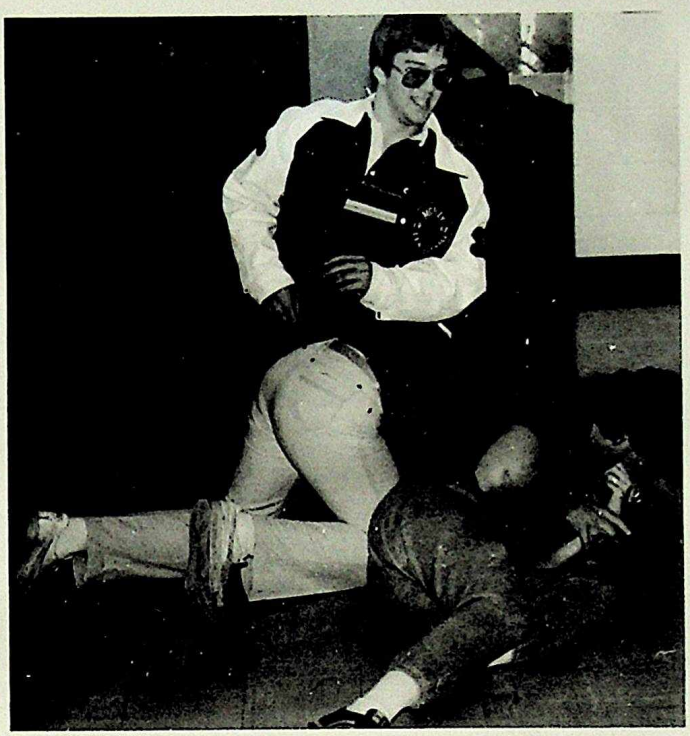
As each of us goes through the process we call life, we encounter both dangers and glories, excitements and letdowns. It can easily be said that we are passing along The Roadway of Life. The steps we take lead us past many obstacles, some good, some bad. All, however, are challenging and rewarding.



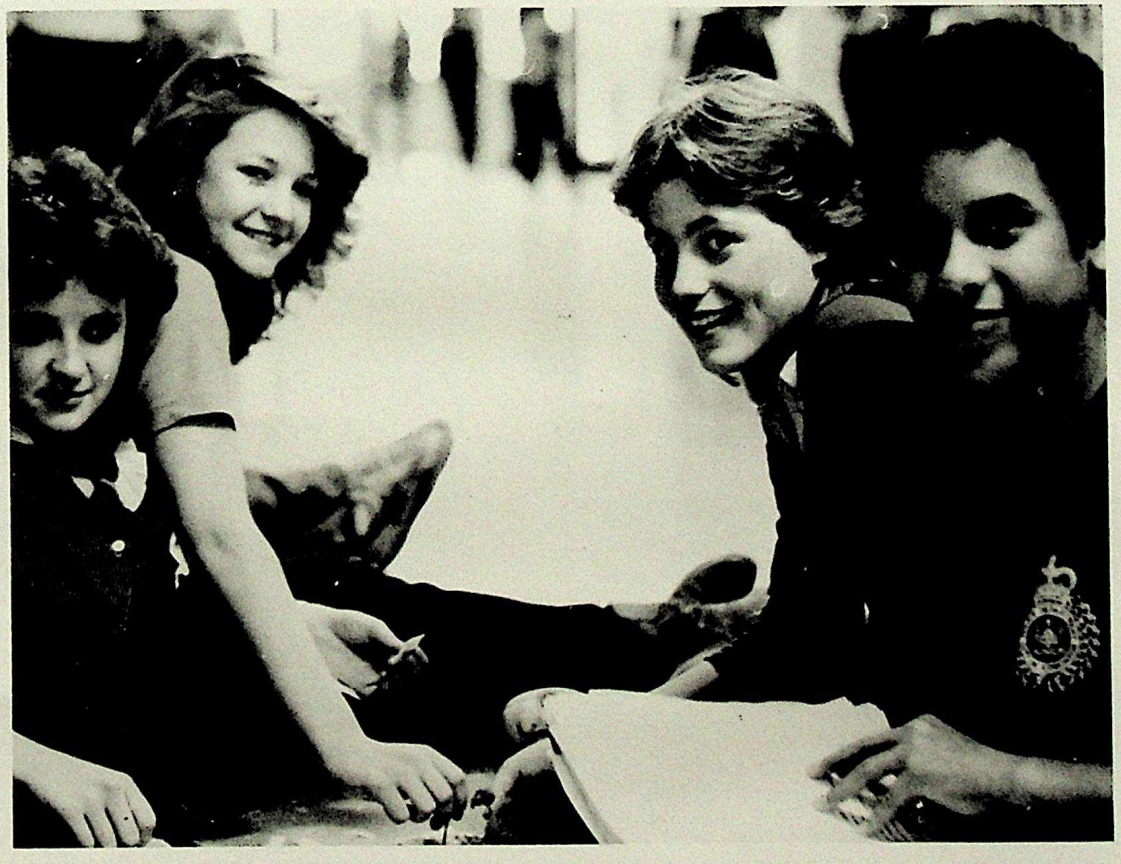


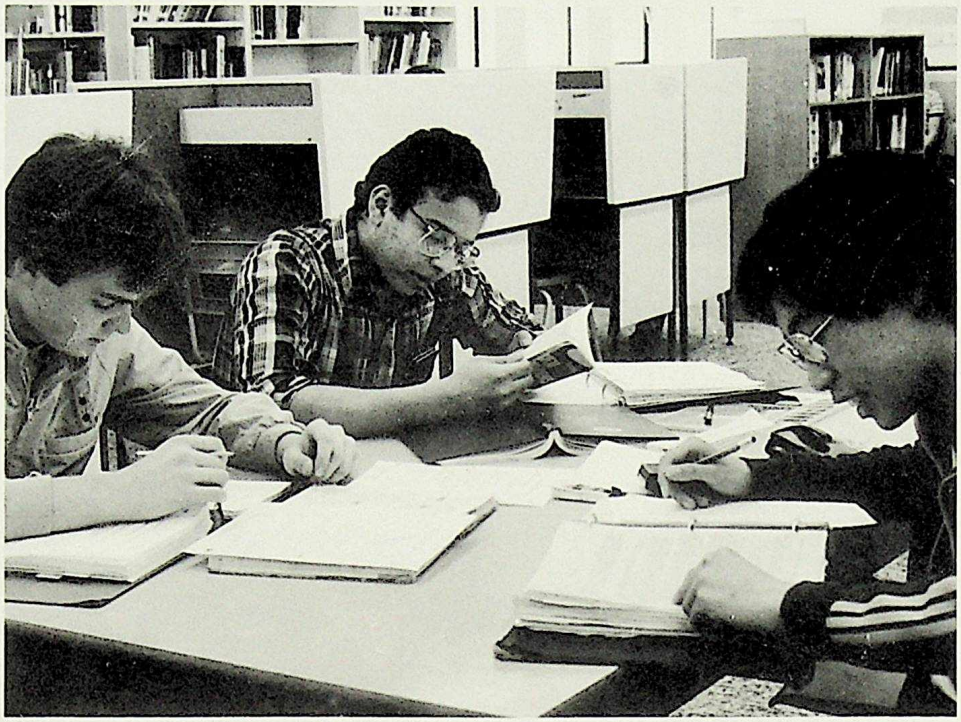
As we travel down the road that winds through the high school years, we each choose different paths. Some of us choose to travel in solitude, reflecting on the occurrences around them . . .

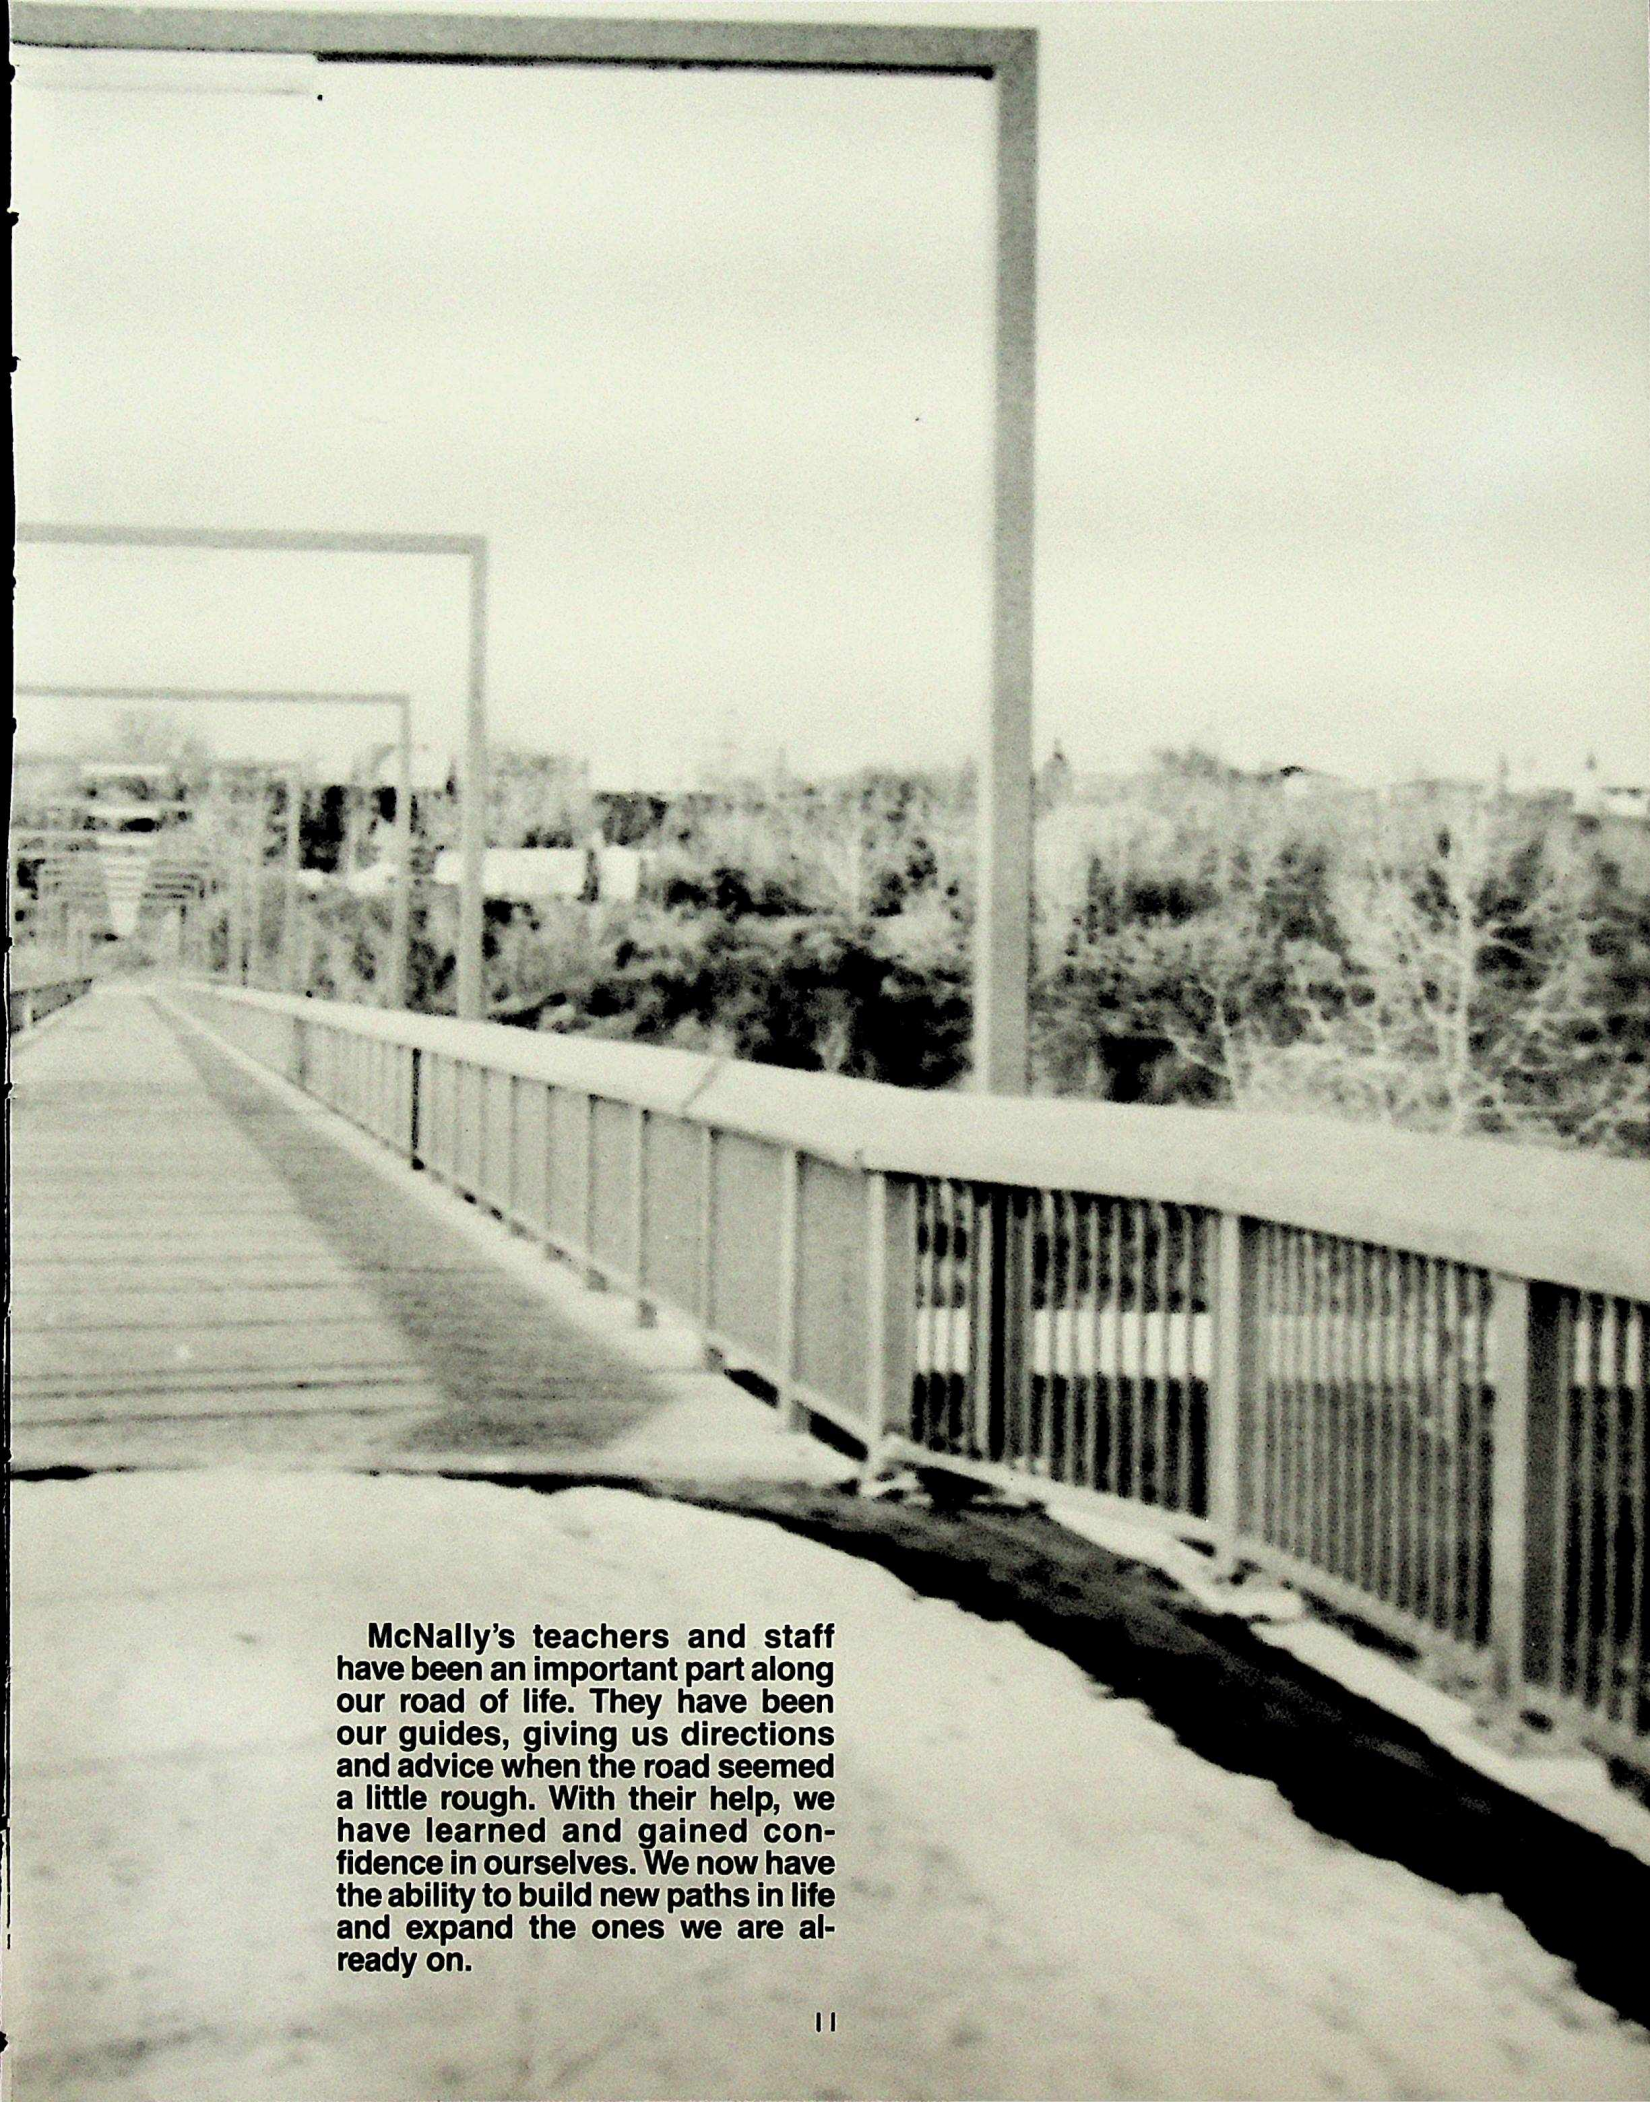




. . ., while others prefer to spend time in groups; in the company of only a few close friends, or with the support of a large group. Whichever way we travel, the road is always exciting. . . .

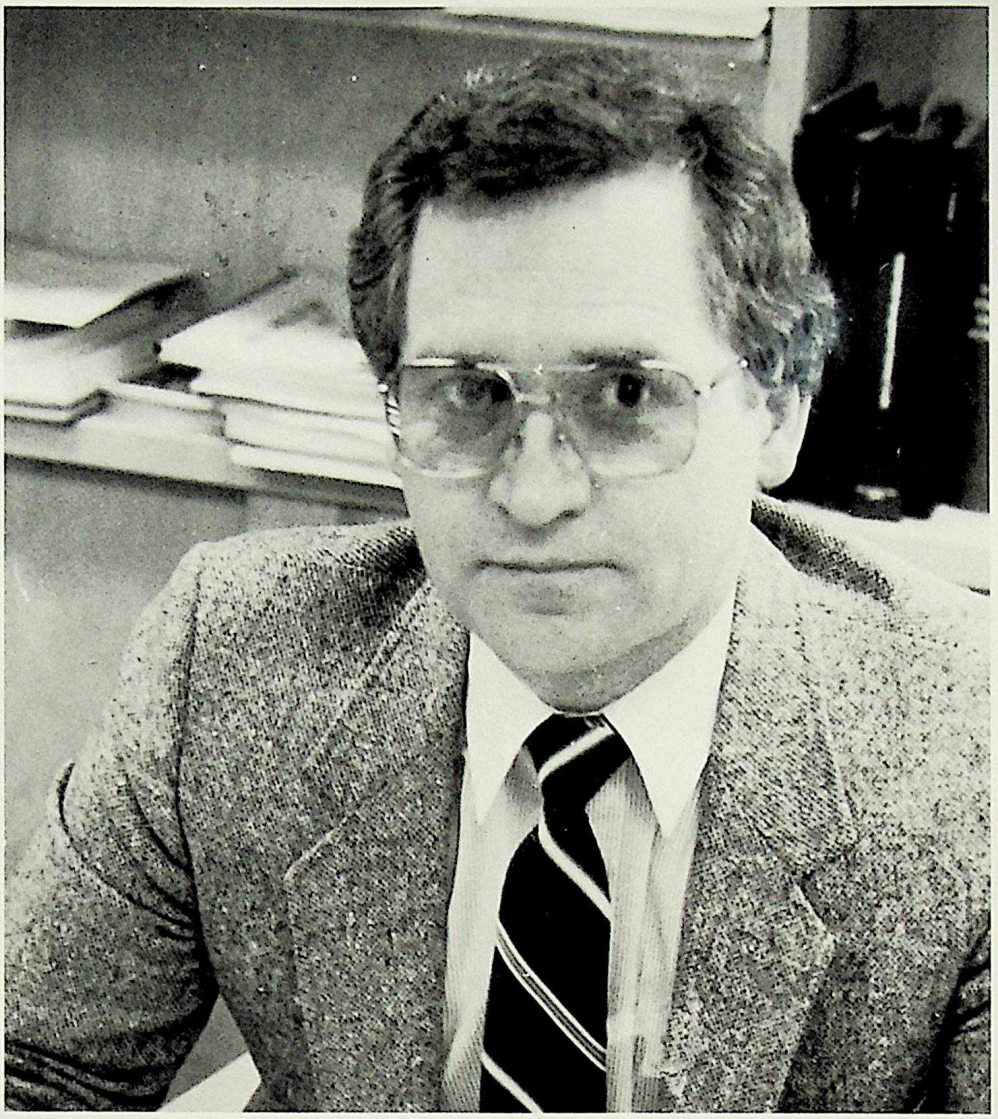






McNally's teachers and staff have been an important part along our road of life. They have been our guides, giving us directions and advice when the road seemed a little rough. With their help, we have learned and gained confidence in ourselves. We now have the ability to build new paths in life and expand the ones we are already on.

ADMINISTRATION



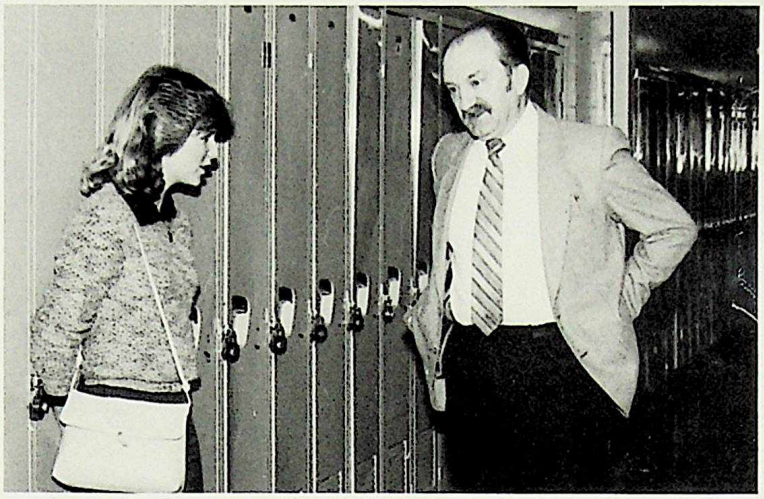
PRINCIPAL'S YEARBOOK MESSAGE

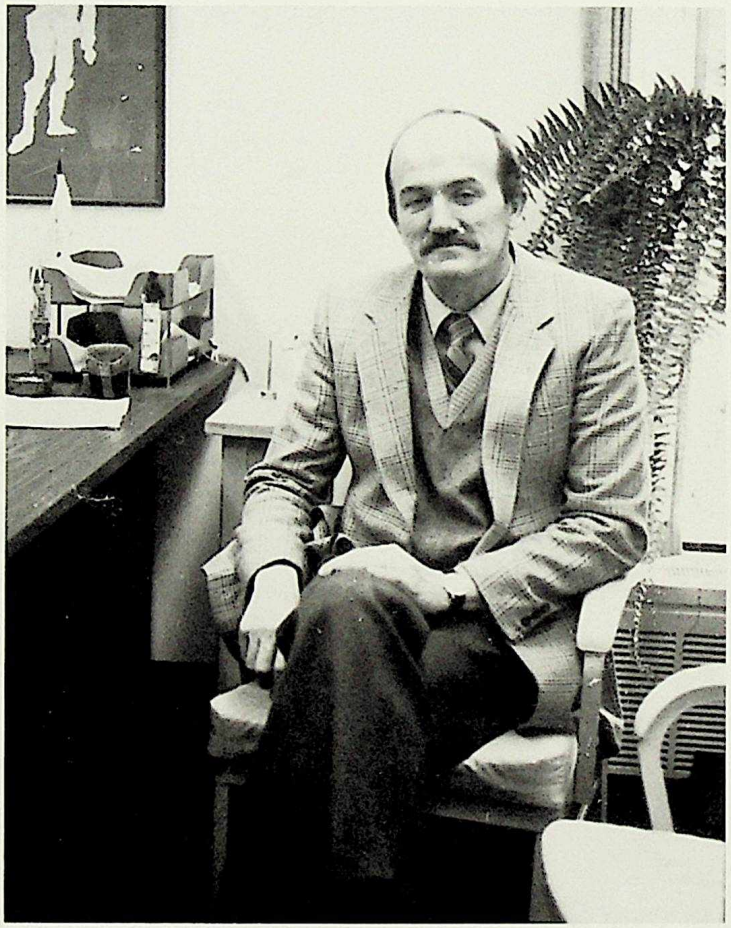
The 1983/84 school year marks the twentieth year of operation for McNally High School. While the McNally history is a short one, it is most assuredly a proud one.

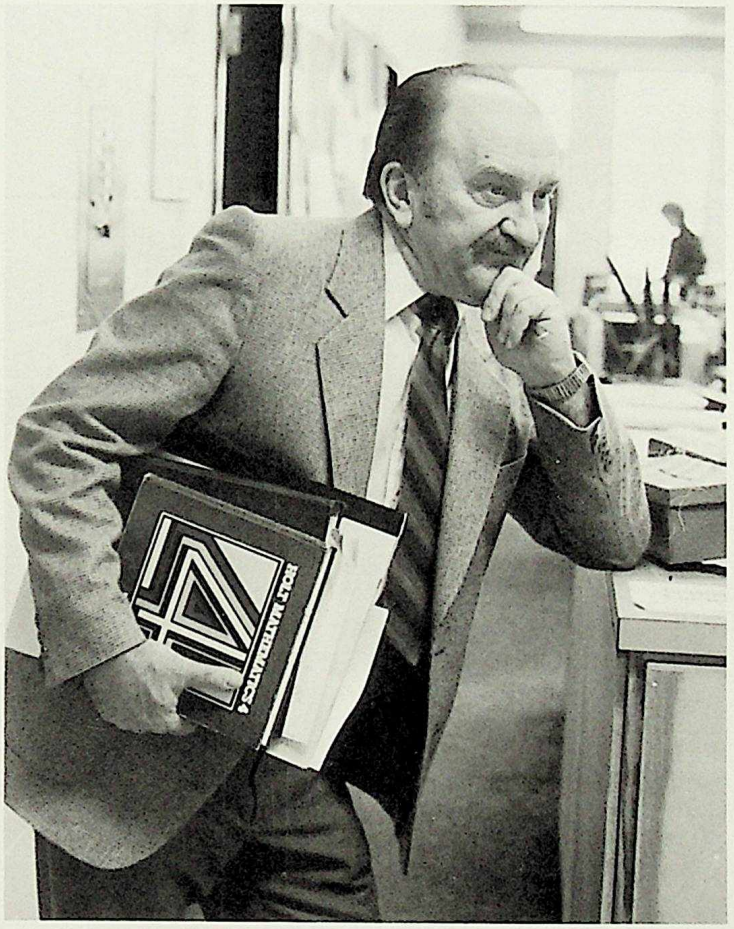
The outstanding reputation this school enjoys throughout the Edmonton Public School District is a tribute to students, parents and staff, both past and present. While intellectual development and academic achievement continue to be the highest priorities, McNally students have clearly demonstrated that a complete education requires involvements in a wide range of activities and experiences. Some two dozen clubs, a similar number of school teams, travel groups, student committees and executives, all contribute to the intellectual, physical, aesthetic or moral development of McNally students, in spite of the fact that these activities are usually just thought of as "fun".

"The Trend '84" will capture a host of memories from the year that has passed. I feel it is appropriate that in this issue of our school chronicle, I should pay tribute to the students and staff who have contributed so much of themselves toward making McNally the outstanding school that it is. We will all have memories that are enriched through the unselfish efforts of the "movers".

I feel confident that the spirit so evident this year will carry through to '85 and beyond.







Mr. Anderson

It has been a pleasure to have been involved with the wide range of successful cocurricular activities and academic challenges at McNally this year.

Mr. Chrusch

The year 1983/84 has been a most enjoyable year. My association with all students, especially the Senior Class Council, has been exceptionally rewarding. I wish all grads the very best in the years to come.

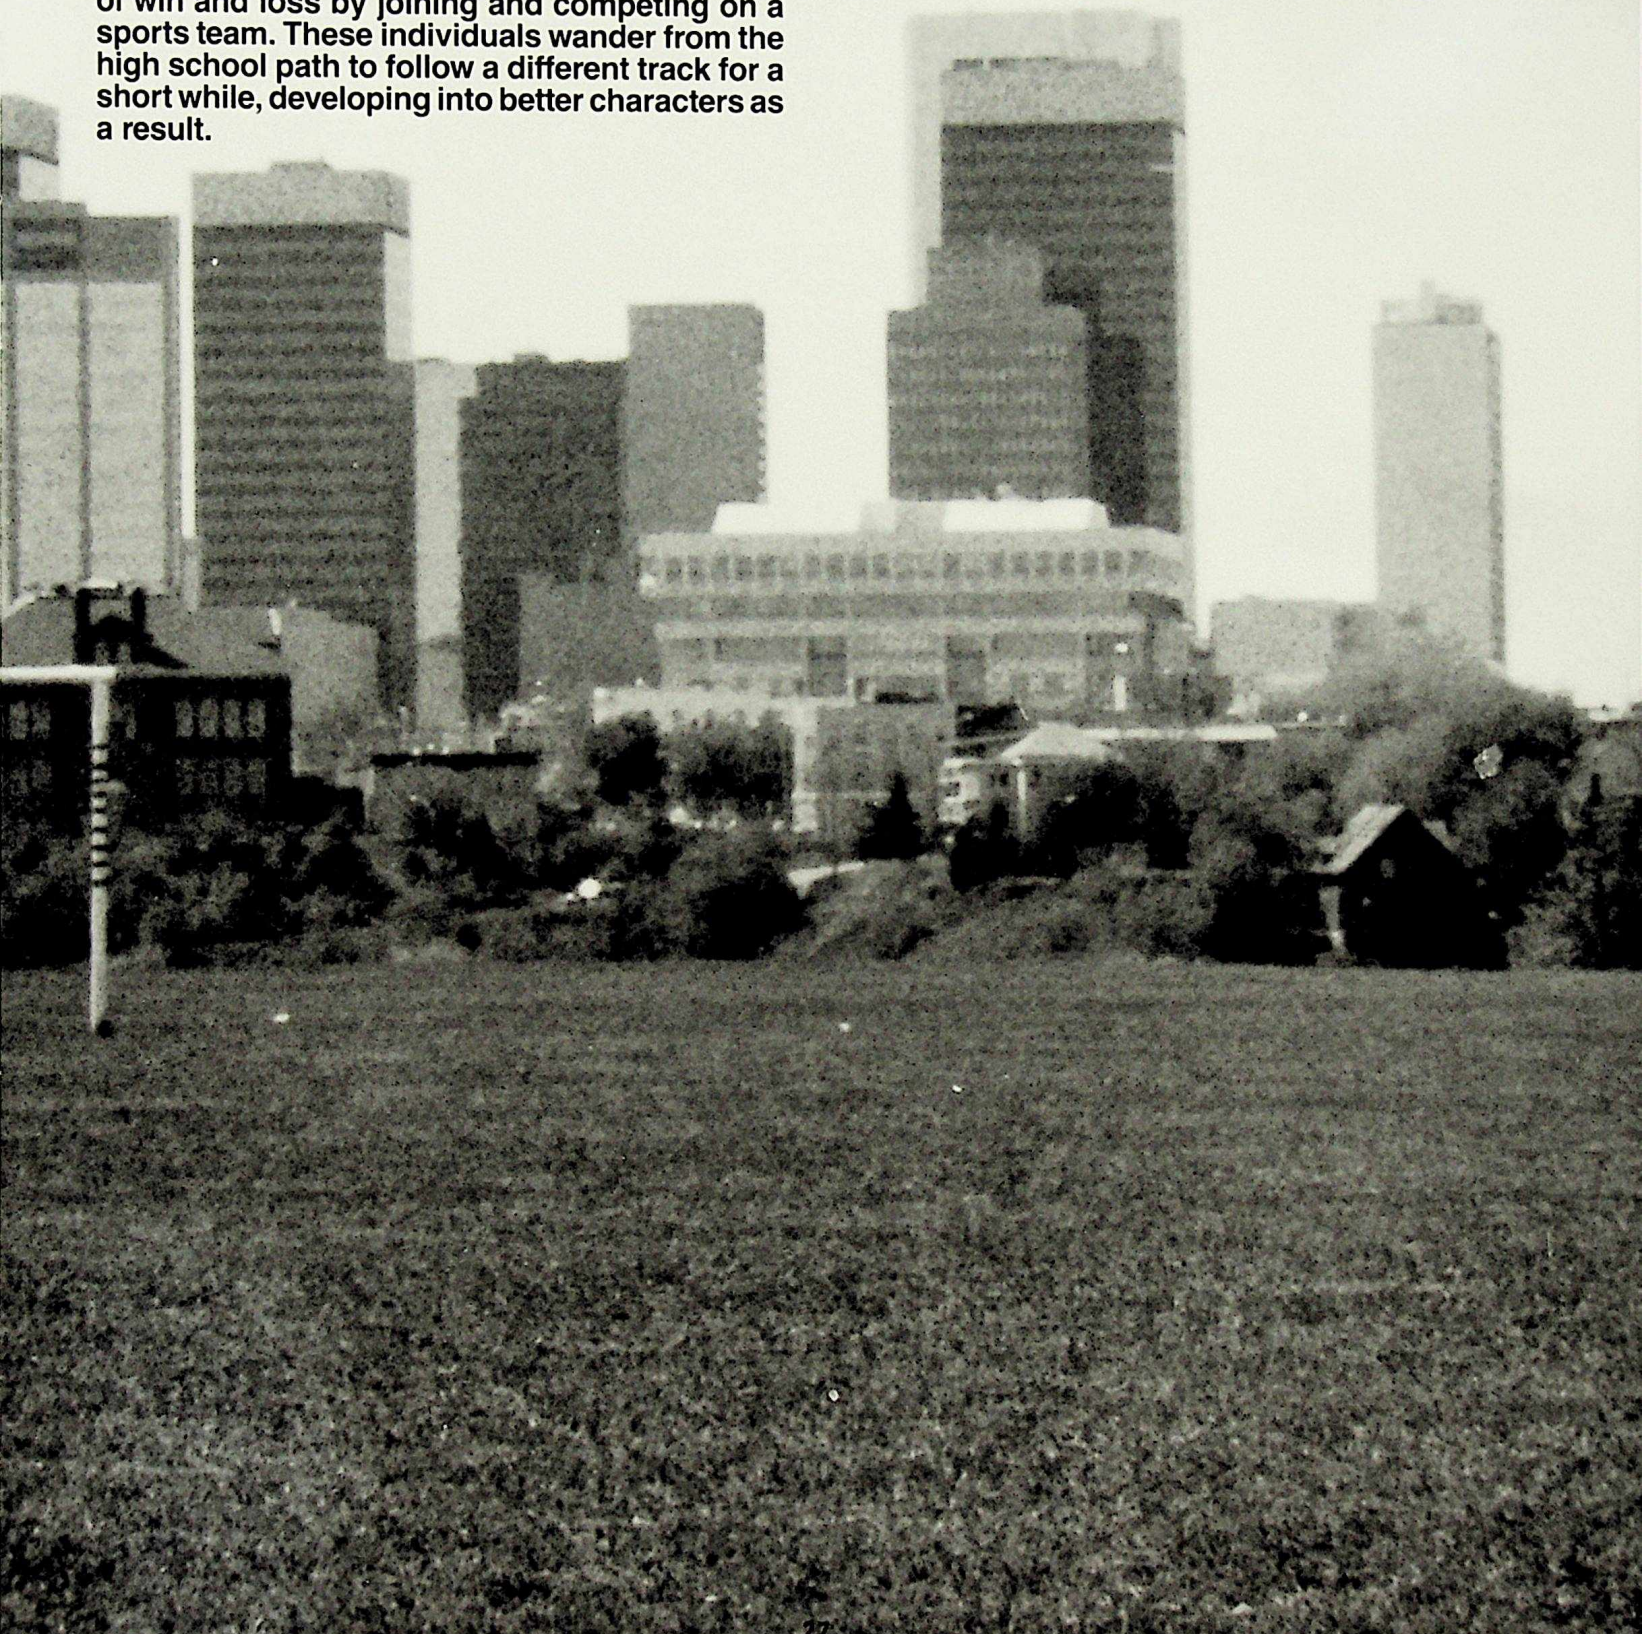
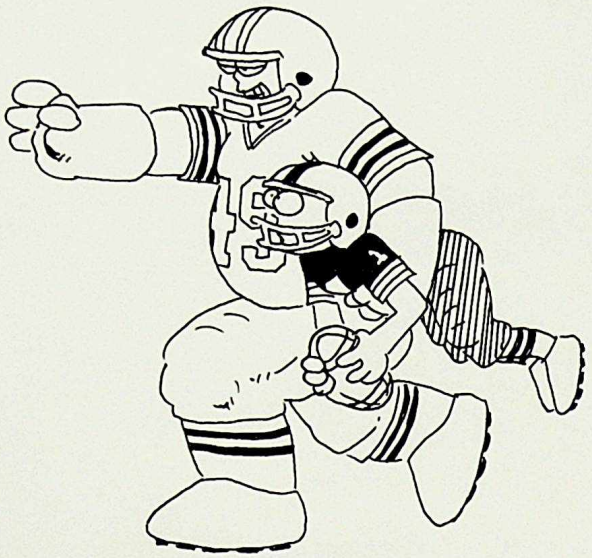
As we said goodbye to many students this year, we also had to bid farewell to several teachers. With various reasons the following teachers are leaving McNally to follow new paths:

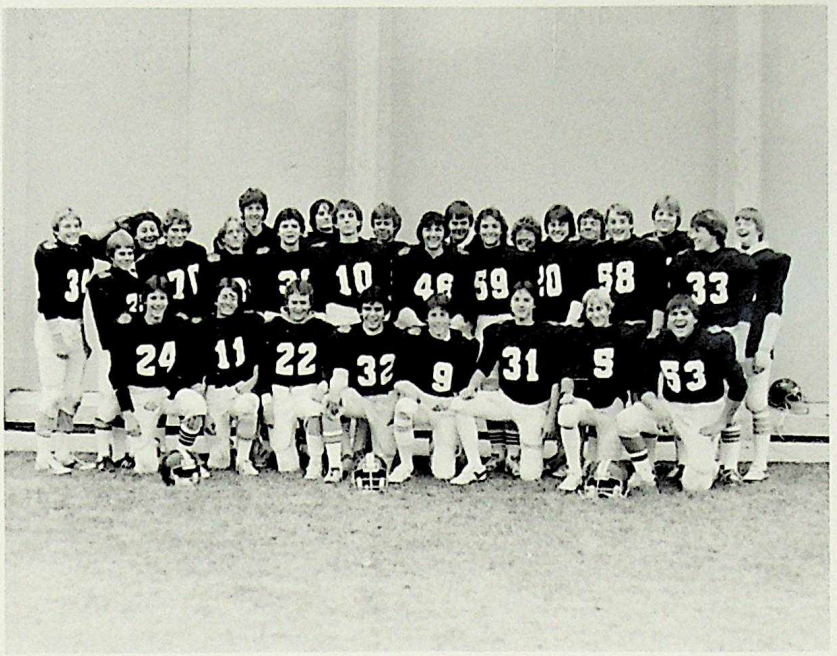
Mrs. Forsyth	Mrs. Kalmacoff
Mr. Davies	Miss Boomer
Mrs. Burchak	Mr. Anderson
Mr. Hartson	Mrs. Nugent

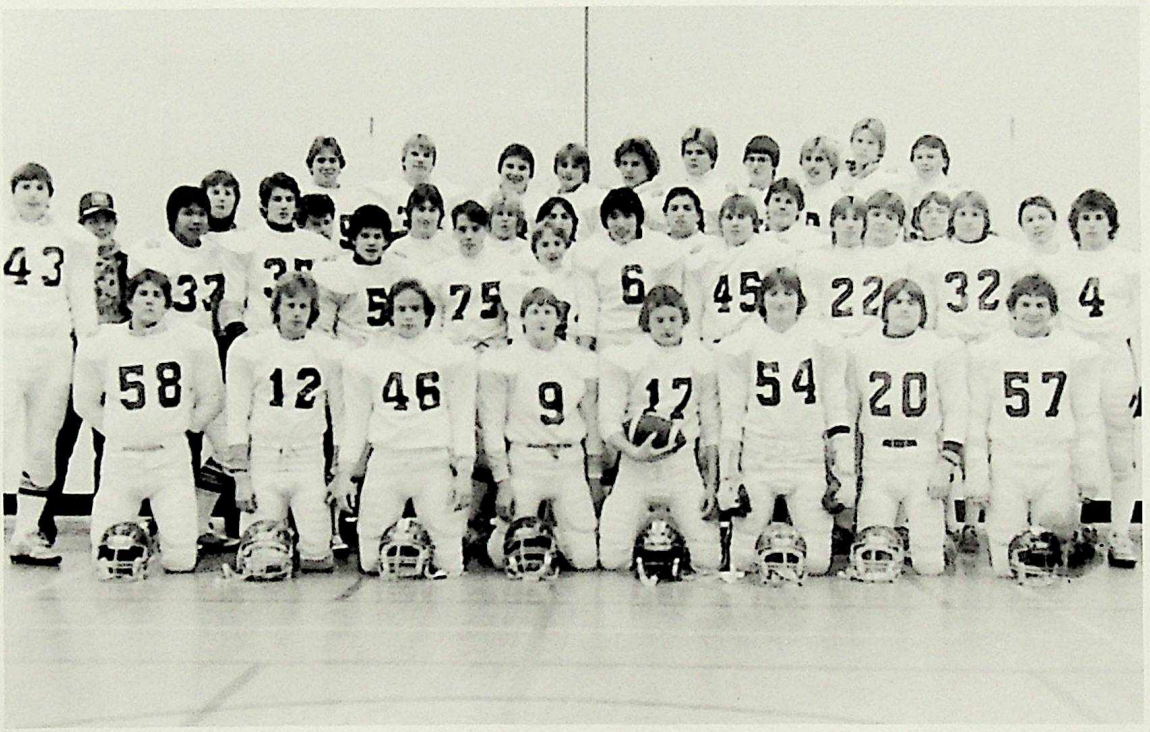
These teachers' dedication to their jobs has enabled us to better understand and communicate with the world around us. Although we are sorry to see them leave, we wish each one the best of luck in the future.

As a diversion from the tedious routine of schoolwork many students experience the thrill of win and loss by joining and competing on a sports team. These individuals wander from the high school path to follow a different track for a short while, developing into better characters as a result.









The Senior Football team:
Tyler Williams, Randy Lund, Bob Bosenius, Mark Preiss, Todd Pringle, Greg Kushnir, Mike Hein, Ken Davies, Clint Powell, Murray Steedsman, Glen Coutts, Joe Goshko, Richard Cajalla, Tyler Colvin, Paul Samycia, Laine Pond, Troy Jones, Bill Warren, Kevin Polzin, Jason Baker, Jodi Fraser, Gordon Fong, Joe Gebran, Chris Bracuk, Ken Kruhlak, Rob Wilson, Greg Purschke, Gordon Baker, Jade Hicks, Calvin Crumb, Roman Kozak, David Bennet, Brent Galagher, Mike Baxter, Mike Kai, Jeff Romaine, Dan Beauchamp.
Coaches: Mr. Buchynski, Mr. Dufresne, Mr. Gilfillan, Mr. Yazchuck.

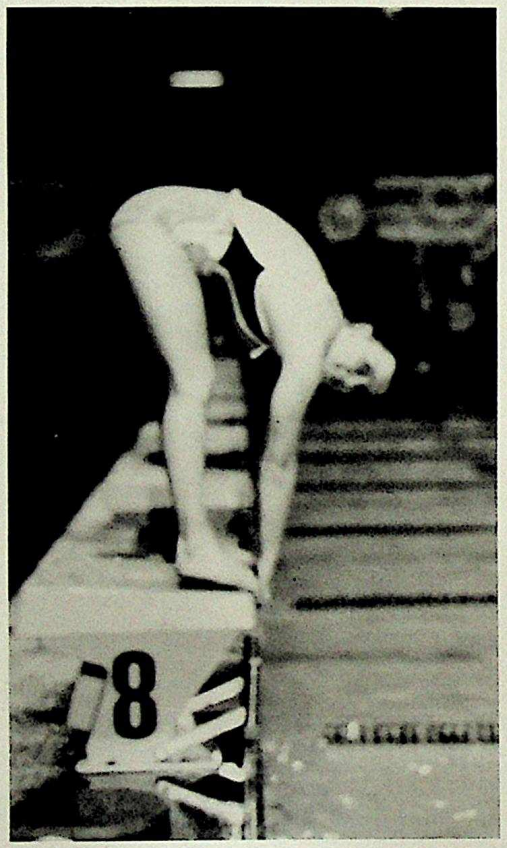
X-COUNTRY

SWIM TEAM

This was the second season that McNally had a competitive swim team. Although our team is much smaller than most other high schools, we placed 4th out of 12 schools in the city championships — an awesome feat!



The following people helped to make this year so successful:
Back Row: Raj Mahabeer, Dave Salpeter, Alex Taylor, Rob Bechtel, Adrienne Leversedge, Maxine Schafer, Mike Norris, Grant Andruchow, Michel Brandt, Keith Ponton, Tracey Jones, Jennifer Morrison. Middle Row: Randy Whillier, Lies Larive, Jennifer McClenneghan, Wanda Ackerman, Karen Hughes, Donna Nygren, Nancy Stretch, Miss Caouette. Front Row: Mike Baxter, Dave Constant, Kim Guignion, Rhonda Fredricks, Miss Middleton.

RUGBY

Although not the most successful season in recent history, McNally's Rugby team did have a lot of fun. The following people from the '84 Rugby Team:
Kelly Atkinson, Ray Bartman, Ned Cooper, Jody Fraser, Brent Gallagher, Neil Hanson, Rich Hicks, Dave Johnston, Jim Kosh, Ken Kruhlak, Jaimie McCarthy, Brian Mihailides, Phil Neumann, Darrin Park, Clint Powell, Mark Preiss, Greg Purschke, Mike Pyne, Ton Sharpe, Clayton Skrlik, Steve Swalsky, Greg Thompson, Bill Warren, Bob Washington, Tyler Williams. Coaches: Mr. Skoreyko, K. Gallagher, H. Williams, H. Henschel.

Left to Right: Sean Bluett's side (his feet are clean), Stuart Riley (mega sunburn), Russ Kelemen (life is beautiful), Andrea Soper (shampoo time), Andrea Swain (hurts heal fast), Kelly Neyrinck (Brrr-everything), Maleesa Putsey (tents are easy to set up), Patty Fraser (the sailor). Kneeling: Pam Marshall (soccer is fun) and Kevin Oldham (See, he's hugging another friend!)

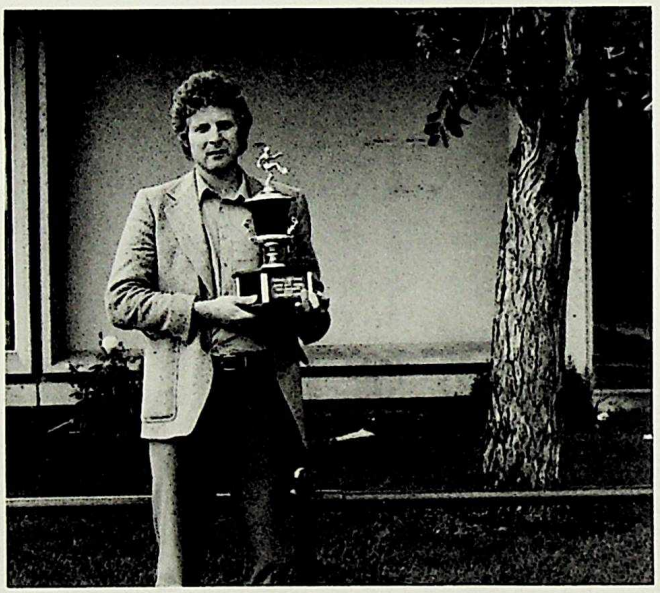
PHYS. ED. 20 R.

The Physical Education 20 Recreation class enjoyed a few days out in the sun as they handled the basics of canoeing, sailing, archery and camping.

Left to Right: Mrs. Dickie, Kelly Neyrinck, Andrea Swain, Maleesa Putsey, Pam Marshall, Stuart Riley, Kevin Oldham, Andrea Soper, Sean Bluett, Patty Fraser. (Don't worry, Scott, that was just a friendship hug!)

SOCCER

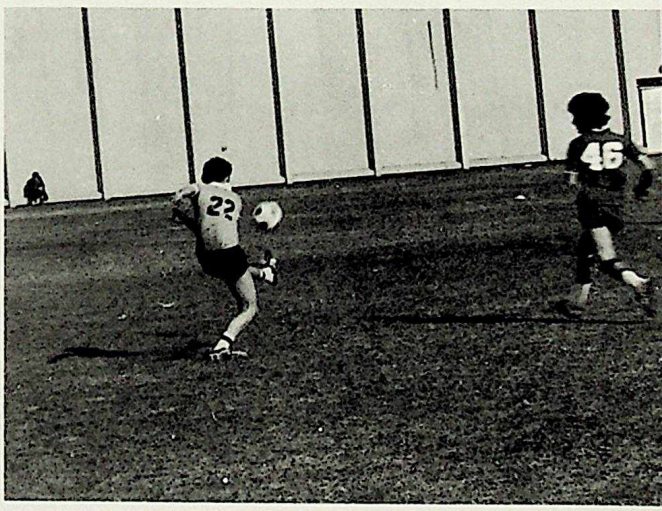
Junior Boys' Soccer
Front Row, L to R: Herman Hum, Rob Holt, Rob Wilson, John Hofer, Dave Cox, Ray Suarez, Todd Brand, Jeff Romaine, Steve Shyshka. Back Row: Alister Brooks, Hugh Leitch, Mark Fay, Stef Schovanek, Rod DeRoy, Dave Pollock, Rich Tolway, Rob McMullen, Uli Lauf.



Coach: Dr. G. Salmon.

Although the Senior team tried hard, they did not have as successful a year as the Juniors. The superb team of Juniors were able to win the City Conference Championship, bringing outstanding recognition to McNally.

Senior Boys' Soccer
Front Row, L to R: Mike Baxter, Steve Svendsen, Neil Fladager. Standing, L to R: Ross Bentley, Jade Hicks, James Janke, Endre Koszec, Amro Hamza, Dirk Hofer, Darren Chartier. Missing: Ed Leno, Jim Staring, Lalit Bassi, Dave Youngs, Don Young, Al Winklmeier, Michael Kai.

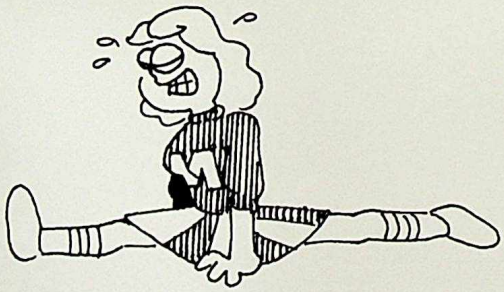


SENIOR CHEERLEADING

The Sr. Squad has had a tremendously outstanding year. With the addition of three new male members, they were able to obtain many great accomplishments. Some of these were: being 1st at the Harry Ainley Tri-Provincials, 3rd in the City Finals, and 7th in the Vic Redman Invitational, where they cheered for the West Humber Vikings.

All of the Senior Cheerleaders want to wish everyone great success and thank you for your terrific school spirit.

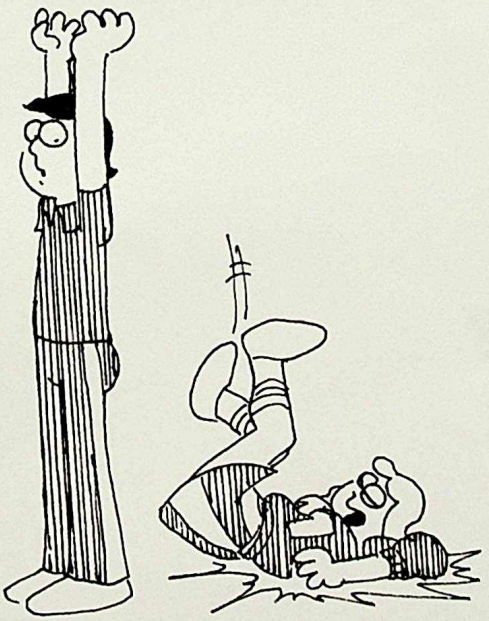
Top Row: (left to right) Vanessa Read, Vicki Christian, Gail Joynes. Going Down: Sandra Paquin (co-captain), Kari Krell, Shauna Roller, Rosann Klem (captain), Susan Paquin, Diane Watkin, Carmen Locke. Missing: Jayne Cromie, Dave Johnston, Steve Swalsky, Tyler Williams.



JUNIOR CHEERLEADING

For the first time in over five years McNally has been proud to sponsor a junior cheerleading team, complete with new uniforms. Although the newly established Juniors did not enter any competitions, they did help support our other teams at the pep rallies.

Top Row: (left to right) Ronnie Cunningham, Trishe Klancar, Debbie Lieske. Middle Row: Linda Christen, Rhonda Bartz, Kathy Edwards. Front Row: Audra Creller, Shelly Stark. Missing: Jennifer Saville, Kim Sonnenburg, Tam Toews.



As this year's grade tens entered high school they were placed on a new road of life, branching in all directions. For many, making friends and becoming involved was an important part in making the pathways more clear.

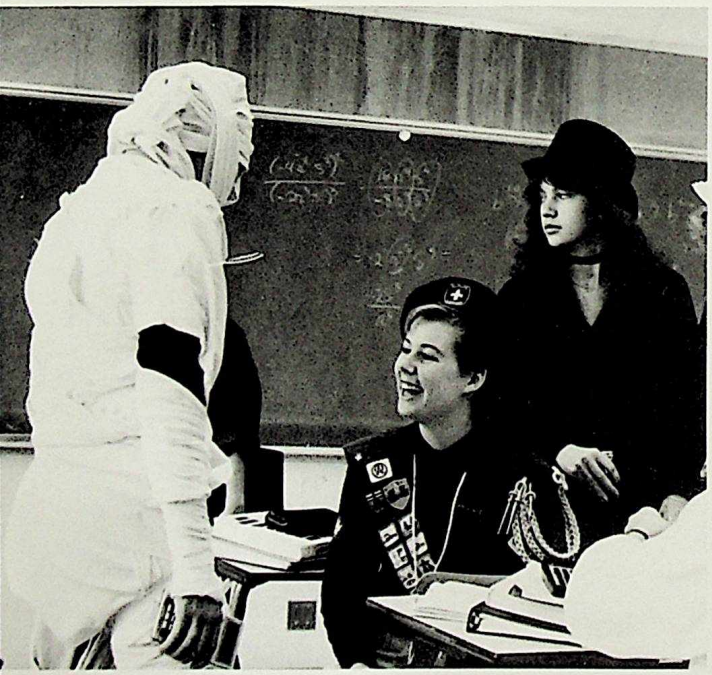
On our journey we come across many detours and bridges which lead us through life on some of its more interesting paths. Many students choose to follow the trails known as clubs, in order to gain wisdom, companionship and fun.

STUDENTS' UNION

McNally's Students' Union is often one of the busiest groups in the school, and this year was no exception. They were so busy a group photo was out of the question, but action shots were available. At the far right Jackie (Big Gulp) climbs out of the dunk tank while Sandra (the nun) tries to peel a banana on Halloween. Mike and Mike can be seen doing their usual job of organizing an activity in the background, and Judy and Mike dress up (a mummy and a chorus girl??). Mike T can be seen elsewhere in the book climbing out of 'bed', and Deb busily picks up feathers.



McNally's Students' Union consists of the following members:

Jackie Zuk ..... President
Kari Krell ..... Vice-President
Monique Lefebvre .... Secretary
Mike Tomm ..... Treasurer
Sandra Paquin Social Convenor
Mike Baxter ... Communications Director
Rhonda Vandenberg .. Publicity Director
Deb Macdonald ..... Grade 12 Representative
Vanessa Read ..... Grade 11 Representative
David Tupper ..... Grade 10 Representative
Judy Lehman .. Yearbook Editor

DEBATE CLUB

L to R: Charles Lee, Alvin Doo, Prasun Das, Elaine Yachyshyn, Anthony Enache, Jim Freeman, Berta Huzar, David Tupper, Anna Marie Huzar, Mr. Kachuk.

The Debate Team had a very successful season, the accomplishments of its members bringing distinction to McNally. The following is only a small list of the team's achievements:

Charles Lee — 1st place speaker — VJ Maloney Debates earning a place at the Westerns.

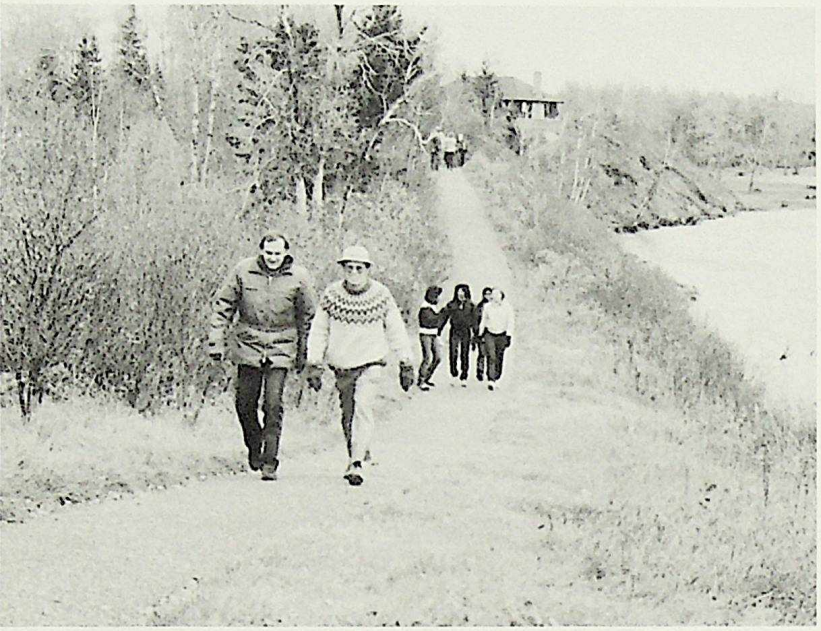
Team of David Tupper and Anthony Enache — 2nd place team in both Ross Shephard and Churchill Debates
— 1st place team in both the Edmonton Region and Provincial Championships.

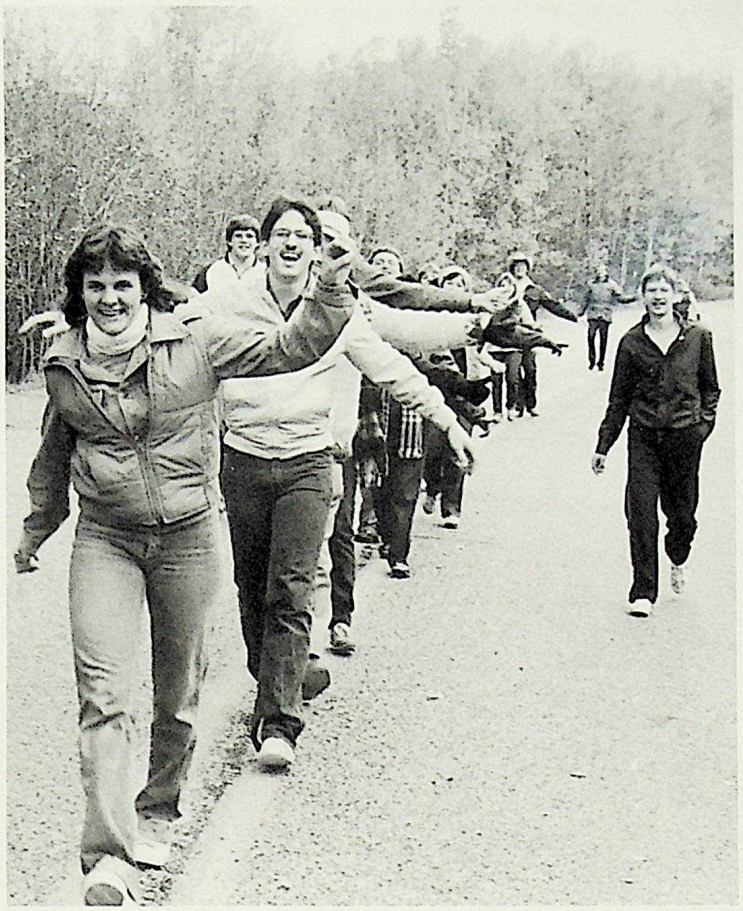
David Tupper — 2nd place speaker in the Edmonton Region and Provincial Championships.

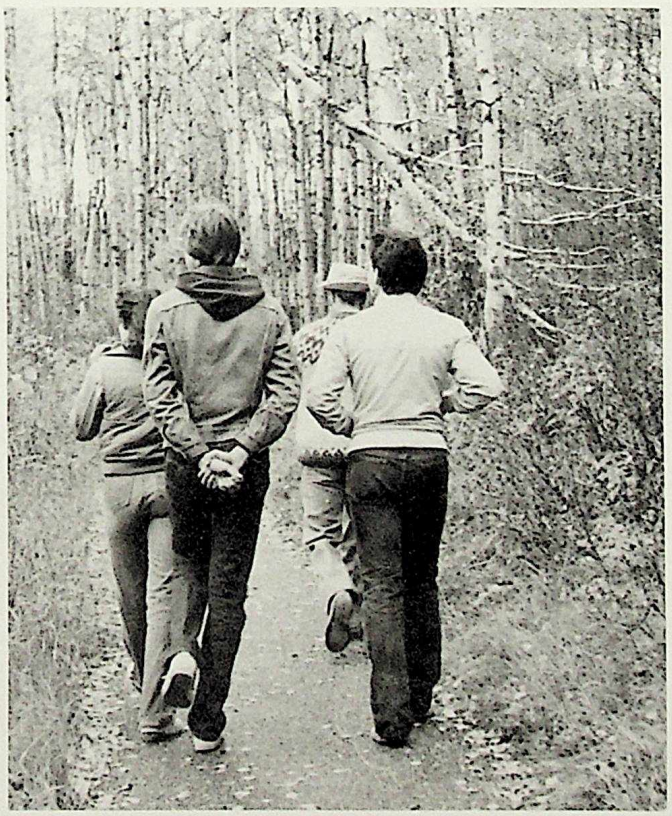
Berta Huzar — 2nd place speaker in Westlock Debates.

Team of Elaine Yacyshyn and Charles Lee — 1st place in Westlock Debates.

The ISCF club spent the year partaking in many exciting meetings and activities which helped to show each member the finer points of friendship and good times. Here the ISCF members are on one of its earlier outings, this time to Elk Island Park, where they had the chance to experience, to grow, to learn and appreciate.







AWARD WINNERS, 1984

McNally's annual Awards Night is a proud moment for students, parents, and teachers alike. This year's ceremonies were no exception, with a tremendous amount of award winners crossing the stage.

MUSIC PROGRAM

McNally's Music Program has developed into one of the largest in the city. McNally Concert Band, Wind Sinfonia, Advanced Band, Concert and Jazz Choirs, Senior and Intermediate Stage Bands and Senior, Intermediate and Beginning Combos presented an assortment of music at three major concerts in the year. Senior Stage Band and Senior Jazz Combo were particularly successful in the Alberta Stage Band Festival, each group achieving first place. Concert band was also very well received at Festivals and on their tour to Idaho and Washington.

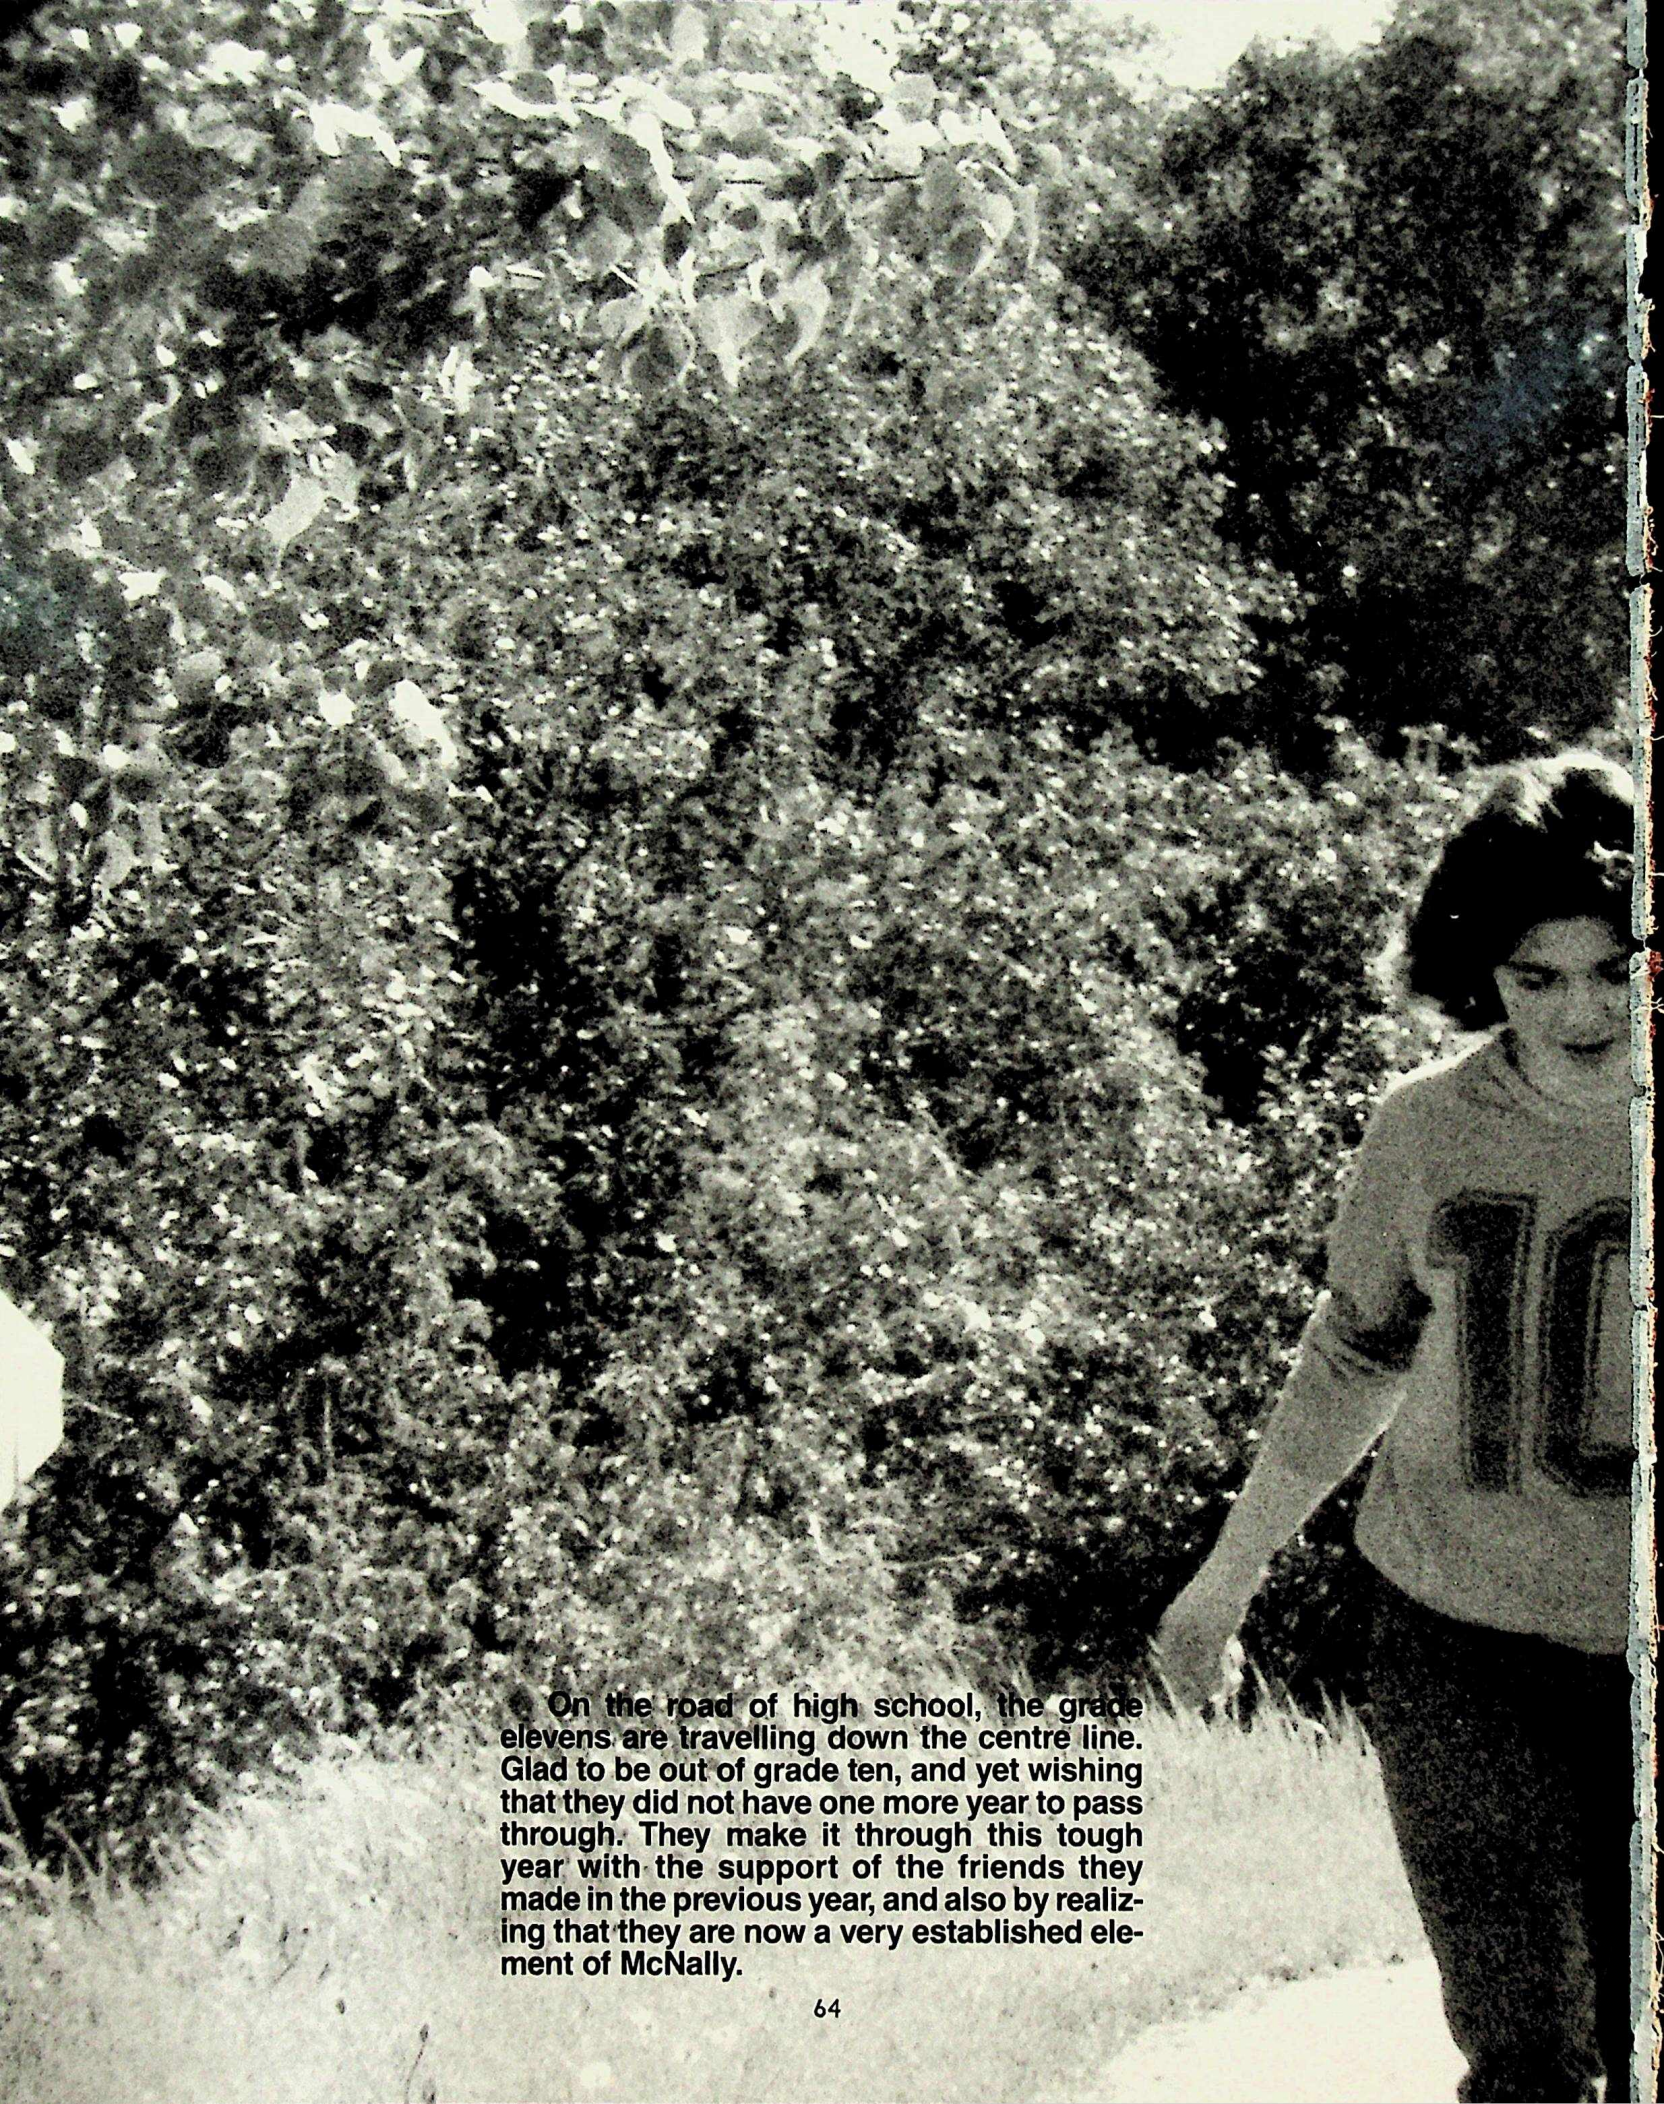
NKS



On the road of high school, the grade elevens are travelling down the centre line. Glad to be out of grade ten, and yet wishing that they did not have one more year to pass through. They make it through this tough year with the support of the friends they made in the previous year, and also by realizing that they are now a very established element of McNally.

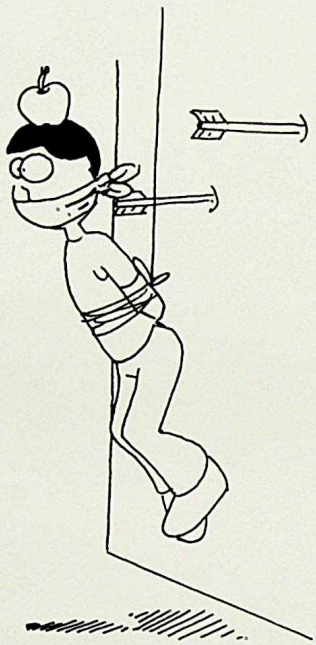
Whether we travel in groups, in pairs, or singly, we all tend to partake in life's activities. In the winding road we travel through the high school years we stumble across both valleys and crests. These high spots are quite often the points in our lives in which we actively participate in what life has to offer. The more involved we become, the more enjoyable life becomes, with greater opportunities for happy memories. . . .

FIESTA DAZE

Although it was a little cold, McNally's Fiesta Daze was fun for all. The Senior Cheerleaders might disagree, though. In a whopping 9° they let themselves be dropped into a dunk tank full of ice-cold water. Bruce Bowie from 630 CHED also participated in this brave event. Other activities included: a Chug-a-Lug contest, a Jello Slurp, and a Tug-of-War.



Jackie's pleased, it's not her turn. (It's WHO's turn?)

"You promised you wouldn't!"

"Which way's front?"

GRANDE PRIX

Late in September, the Students' Union sponsored the annual Grande Prix, with many teams participating. Despite the degree of difficulty found in riding a miniature trike, many students were quite skilled at this event. Burchak's Baby Buggy Bumpers were obviously the best at this talent, as they came in first. Kachuk's Yogies placed second, while Heilman's Square Roots placed a valiant third.

"I'm so confused!"

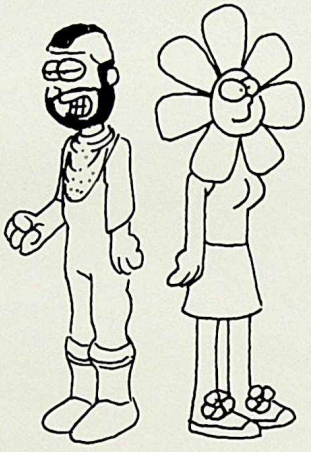
Road Rash

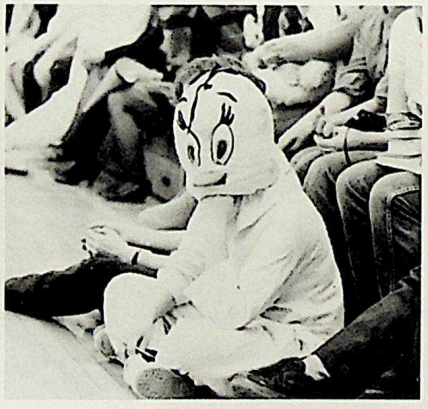
(No one stands in my way and lives to tell of it!) "Out of my way!"

HALLOWEEN

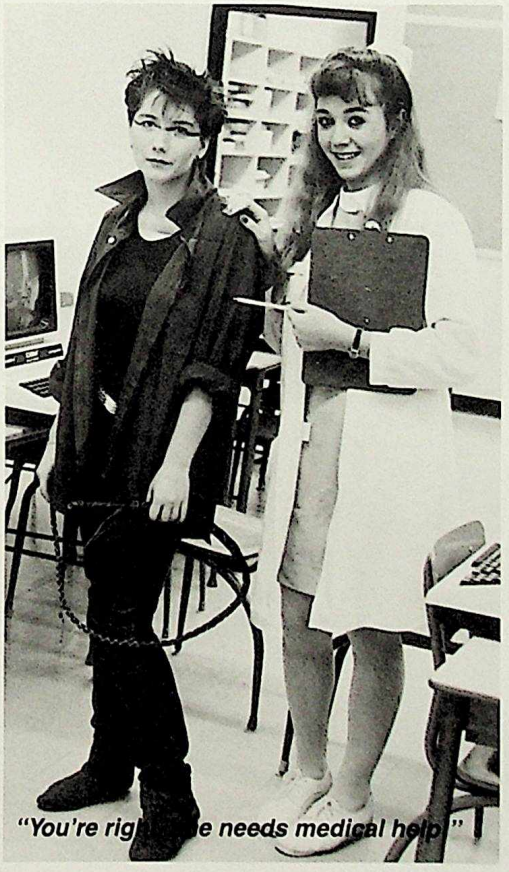
You name it, we had it, here at McNally on October 28. Students and staff took the opportunity to dress up in the wildest of costumes. The day's events also included a banana-eating contest between the Senior Cheerleaders and the Senior Football players, while in the p.m. the ghosts and goblins came out to dance the night away.

the festivities.

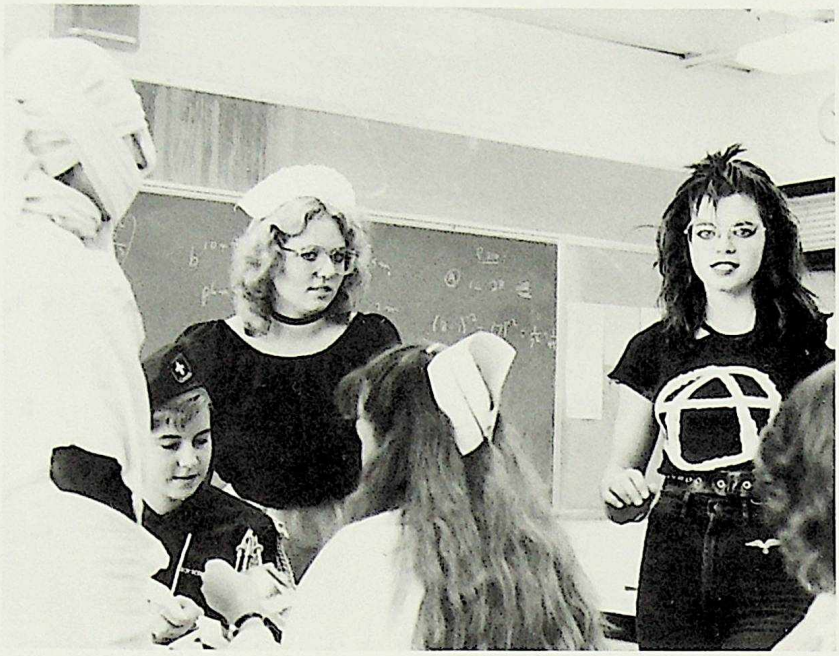




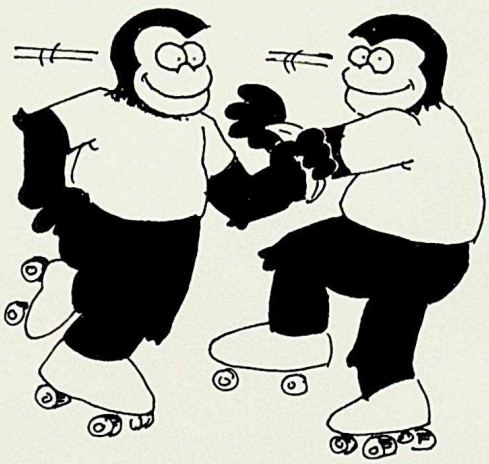
"I knew I shouldn't have dressed up!"



"You're rig e needs medical help."



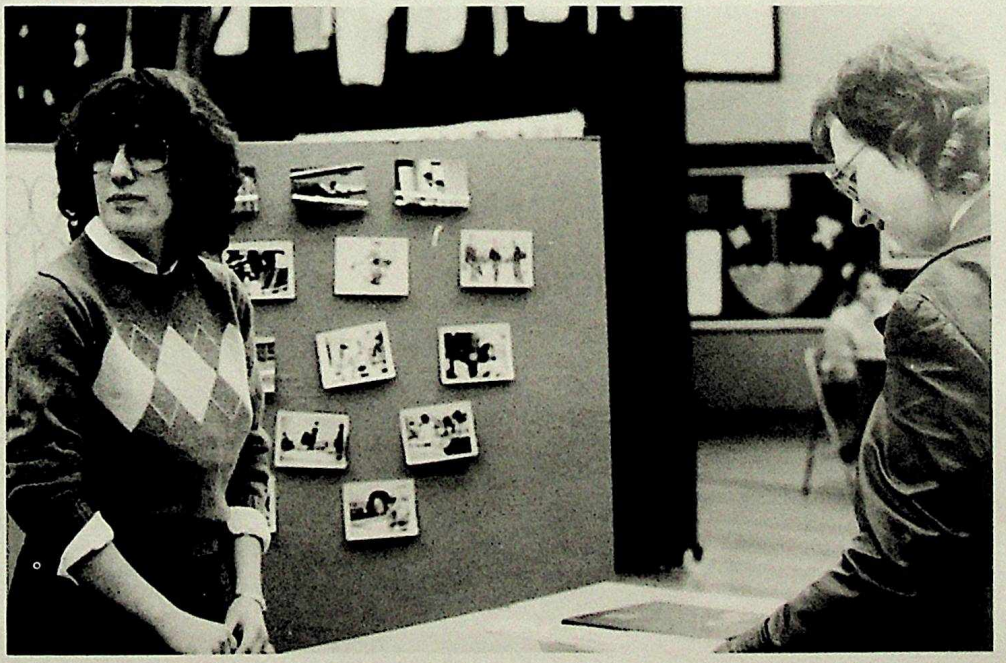
Hut 1, Hut 2. . . Jump!"

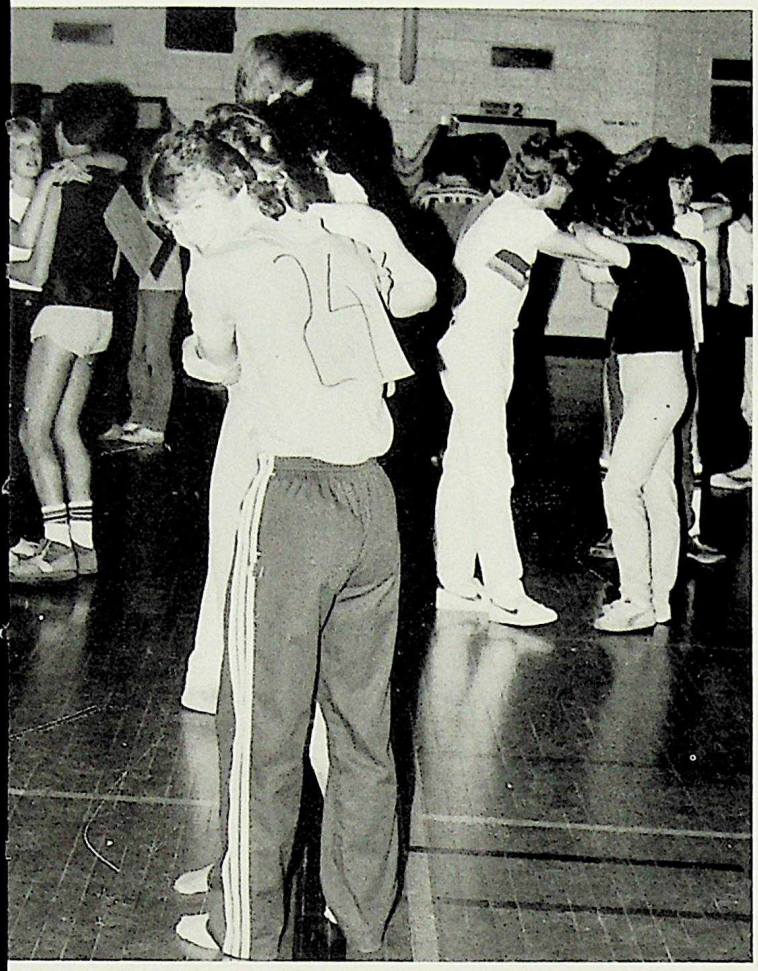


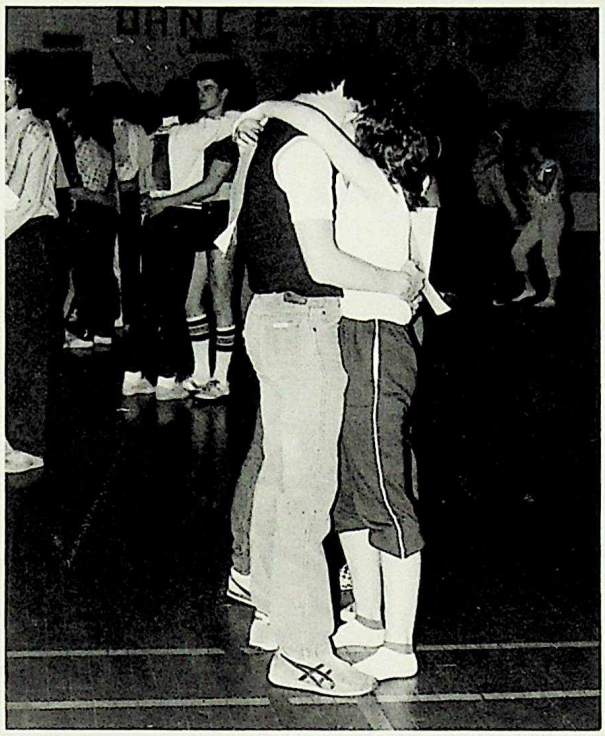
We even had a group of oversized monkeys from Scheme-A-Dream to add a little more fun to the day. An exciting basketball game took place between the teachers and the monkeys in which the teachers were made fools of. (Just ask Mr. Kunyk)

OPEN HOUSE

One of the annual events which occurs at any school, McNally being no exception, is the infamous Open House. Displays were set up dealing with everything from club displays to Chemistry experiments. Prospective students were given the opportunity to see exactly what makes McNally tic.







TIGGER AWARD WINNERS

September	Judy Lehman
October	Charles Lee
November	Allan Whincup
	Mark Simpson
December	Mike Baxter
January	Randy Whillier
February	Dave Youngs
March	Tyler Williams
	Dave Johnson
	Steve Swalsky

McNally's Annual Dance-A-Thon '84, which consisted of over 35 couples, was a grand success, with most of the proceeds going to support the Youth Emergency Shelter. Although many couples were unable to remain dancing for the entire twelve hours, our winners did succeed. Karen Hughes and Steve Svendsen each won a portable stereo, for bringing in the most money.

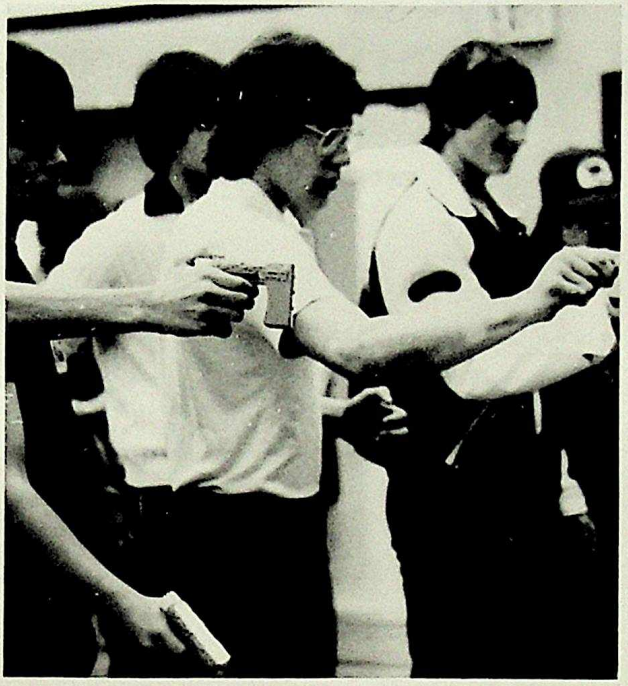
BIG BAND BALL

1984's Big Band Ball was a resounding success. Senior and Intermediate Stage Bands entertained capacity crowds. The dance floor was always packed with parents and friends swinging to music of the Big Bands. Jazz combos and vocalists helped complete the evening's festivities.

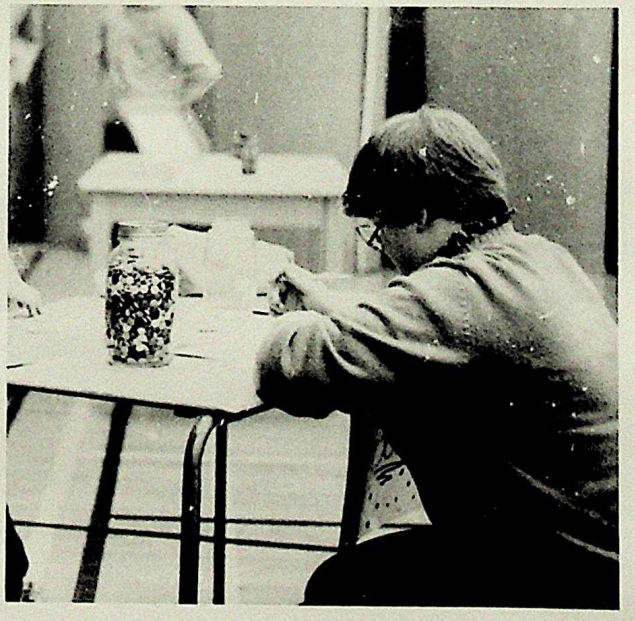
SPRINGFEST

A carnival-like atmosphere was presented at the Springfest '84. Several clubs set up displays and contest, including such events as a Pillow Toss (too bad Jackie and Deb broke the pillow), a Sponge Throw (with Mr. Buchynski participating whole-heartedly) and a Balloon Burst sponsored by the Senior Cheerleaders.

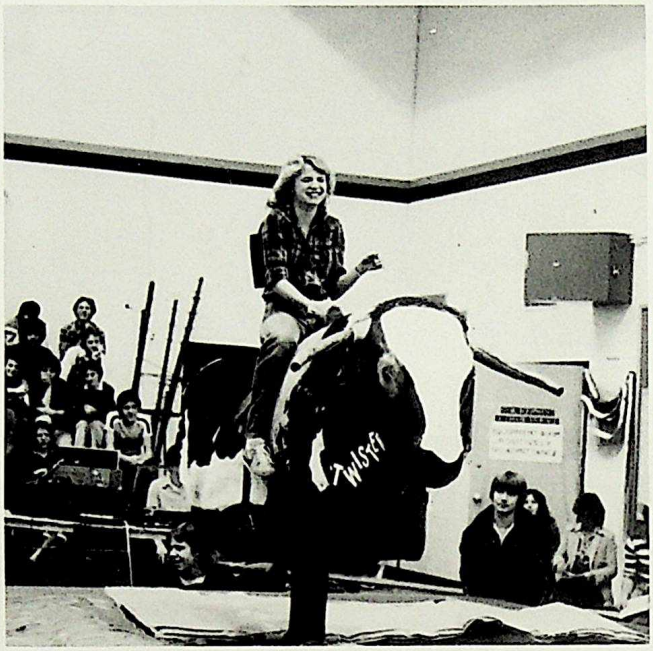
"Go ahead, make my day!"

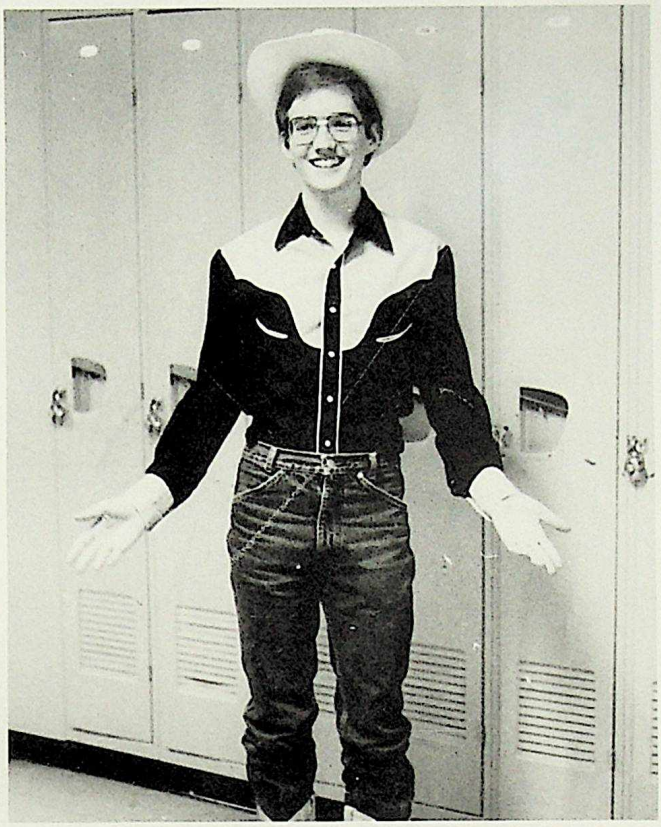


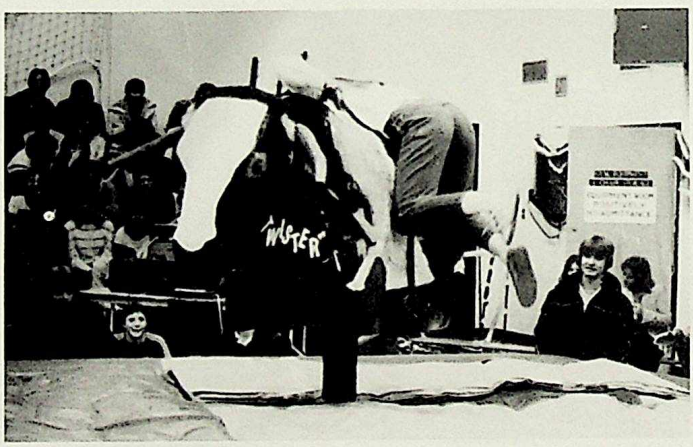
...d you to let ME sew it."



WESTERN DAYS



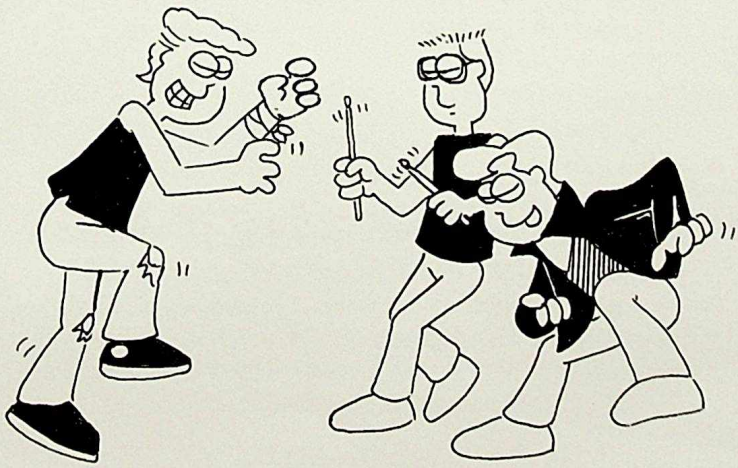




Twister, the mechanical bull, was the main attraction here on Western Days. A few students lacked bull-riding skills, but most did quite well. First place in the female category went to Janice Cherewick, while Steve Jenkins took first place for the male category.

AIR BAND

A little more than creative ideas were expressed in McNally's annual Air Band contest, which took place on December 14. Hidden talent was released as students hopped and bopped to music ranging from country to heavy metal. First prize went to a group of girls who called themselves Manure and The Pilettes. Laine F. and the Convertibles took 2nd prize, while Jumpin' Jimi jumped home with 3rd prize.



Headed For Forever

All the doors are open wide
I'm reaching out but nothing's there
I look and yet I do not see
Which way to go, which way to turn

Every vision that I see
Is so unclear and far away
I need a friend someone to guide me
Stand beside me, all the way

While I'm searching for that guiding light
To shine the way which I must go
Please stand beside me friend don't
leave me
Just close your eyes, we're almost there

Now the doors are open wide
And friend I feel you by my side
I see the sun, the sky, the world
Come hold my hand, we'll walk together

'Cause we're headed for forever.

Most of our grade twelve's this year discovered that this was the year that involved many decisions regarding the road of life. Pathways must be chosen and they must decide which way to turn. Although this is the end of high school, the road of life goes on forever offering both challenges and rewards.

Each year at McNally is like a small journey down the road of life. This year we said hello to a new group of students and we must say good-bye to those who will go on to build futures of their own. Not only is high school a place for learning but is a place where new friendships and experiences are gained. We have crossed bridges and widened roads that we never even knew existed. The road of life has so much to offer but we must remember that a great deal of what we see depends on what we are looking for.

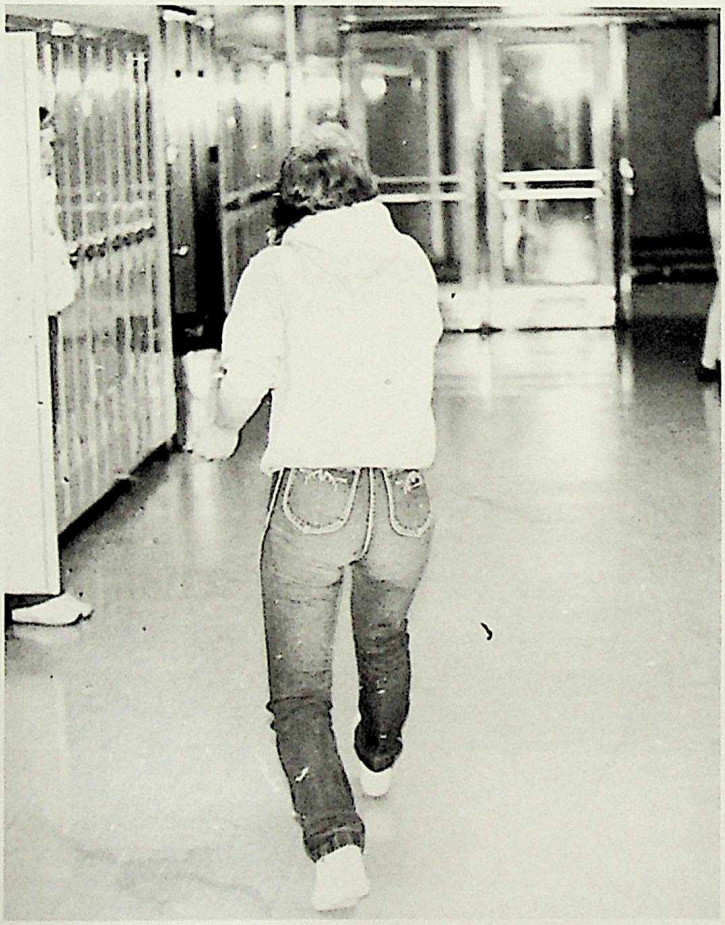
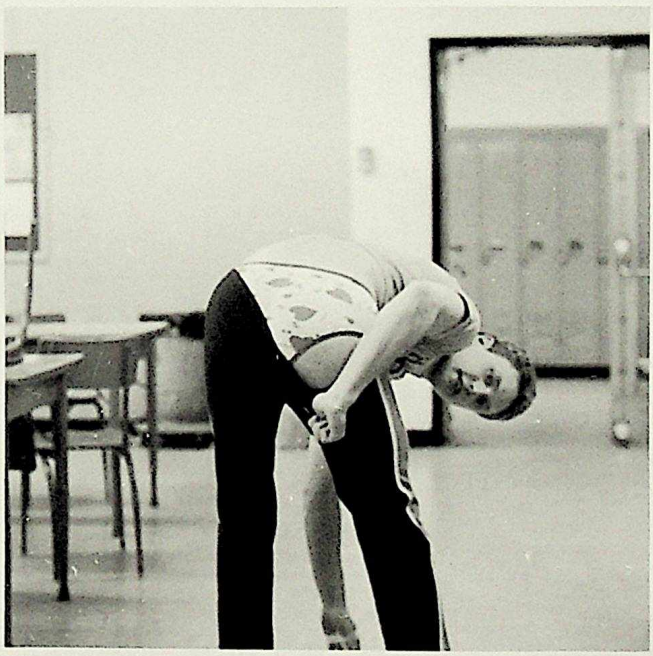
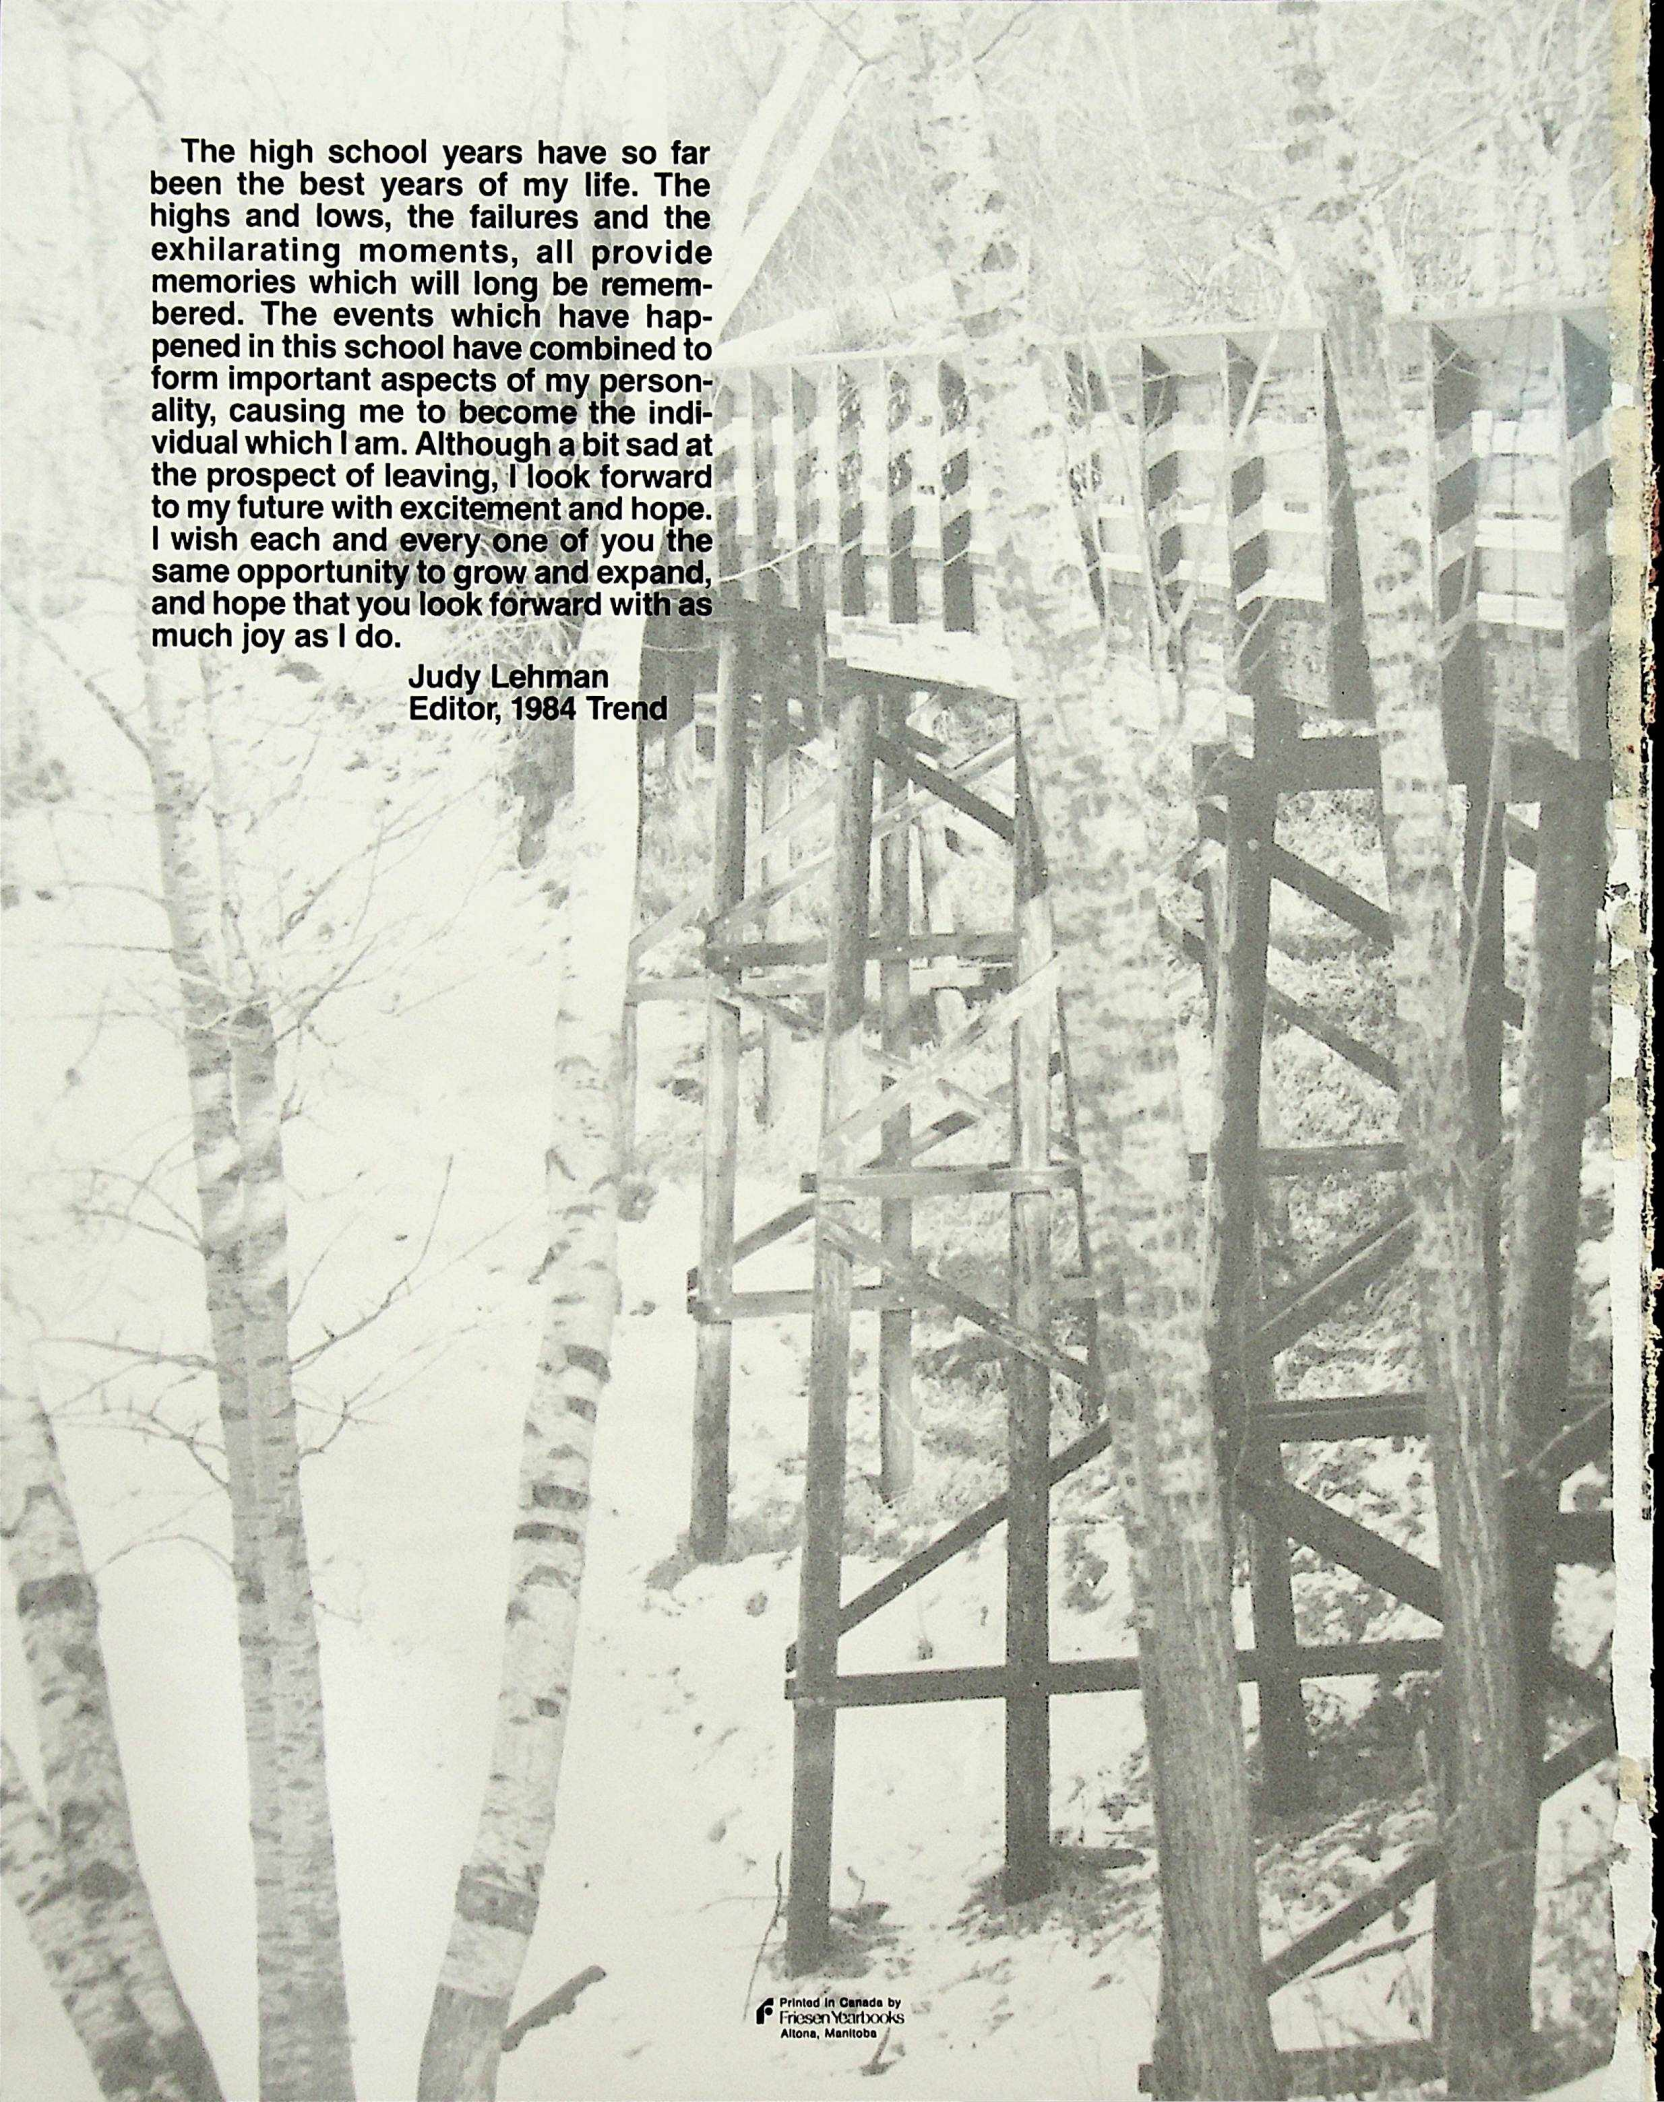
As with every episode in the unfolding drama we call life, the 1983-84 school year must come to a close. With the end of this fine year a new beginning is open for us, with even more challenges than those that faced us in this year past at McNally High School.







The high school years have so far been the best years of my life. The highs and lows, the failures and the exhilarating moments, all provide memories which will long be remembered. The events which have happened in this school have combined to form important aspects of my personality, causing me to become the individual which I am. Although a bit sad at the prospect of leaving, I look forward to my future with excitement and hope. I wish each and every one of you the same opportunity to grow and expand, and hope that you look forward with as much joy as I do.
